President's Message

Dear AES Cattlewomen,

The success of our AES 5th Annual Drive Thru-Dinner is directly attributed to the support from each of you. To have 26 members pitch in to ensure the dinner went off without a hitch is nothing short of impressive. Thank you for purchasing dinners, supplying desserts, helping with setup and take down, baking potatoes, filling the insulated bags, selling desserts and swag, checking in patrons, quality control, moving bags, washing roasters and tools, collecting fees, ensuring I got home and back the next day and sooo much more.

*WISHING YOU THE WARMEST OF HOLIDAY
MOMENTS AND THE BRIGHTEST OF
HOLIDAY JOYS!*

Harris Ranch Beef:
 ".....Since only half of the beef carcass yields are considered consumable in the U.S., beef production, utilizing the rest of that beef carcass~ classified as beef by-products~ is essential to keeping the beef industry sustainable."
