Thanks so much for your interest in the 2024 Xclaim! production of the classic story *MEAN GIRLS JR!*

This "fetch" modern musical is packed with keen wit, an undeniably catchy score, and a sincere message for everyone. At Xclaim! we have a long history working with dramatic content about bullying going back to our first student written production "Faces". I'm excited to produce a modern show about this important and timely topic and thrilled to see it's popularity provide a vehicle to address bullying.

Will Cady Heron rise to the top of the popularity pecking order? By taking on The Plastics, a trio of frenemies led by Regina George. But when Cady and her friends devise a "Revenge Party" to end Regina's reign, she learns that you can't cross a Queen Bee without getting stung.

We need YOUR help to ensure our success! As you know, the prices of goods and services are at a very high rate, and your support will go directly to helping cover the expenses of creating this imaginative story for our community and children! Any donation is appreciated. "Heart for the Art" Donor levels are listed on the following page and we would be honored to include you in our list. You can also support our production by advertising in our show playbill. See the back for details.

Thank you so much for your support! I look forward to hearing from you.

Sincerely,

Christopher H. Cherry
