

An aerial architectural rendering of a school campus. The scene shows several large, multi-story brick buildings with grey roofs. One building in the center-left is highlighted in a bright yellow color. To the left of this highlighted building is a parking lot with several marked spaces. In the foreground, there is a large, open grassy area with a few trees. The background is filled with dense green trees and some residential houses. The overall scene is bright and clear, suggesting a sunny day.
