No additional charges for 1 rental property, investments, CGT, advice and potential audit/review time with the ATO

We will provide an estimate of a job's expected duration if we are using an hourly rate.

How to pay:

- 1) You will be issued an invoice with EFT information.
- 2) Payment by credit card is also available.

Refund/Payment:

On average, refunds are processed by the ATO and received in your account within 2 weeks, but if they are flagged with an error code they can take 1 month or more. If you owe money to the ATO, a bill will be issued to you to be paid by the due date of your tax return (usually 31/10, or 21/3 if lodging through an agent.) All tax debt can be arranged to be paid by instalments or in a lump sum.
