Landholders lease their land and sign non-disclosure agreements. This is to avoid opposition and keeps you from knowing what your neighbor did. Meanwhile you continue to improve your property and it then becomes worthless.
Submitted 11-10-2020. CEASE reached out to county and was told they knew nothing about industrial solar projects. Emails revealed otherwise.
Note: 20 foot setback for a fresh water stream that feeds the fish hatchery
Residents on Tucker Hill Road will be surrounded with forest on the south and access road borders project. They will have no way to exit area in case of wildfire. In addition it blocks a migratory route for deer to get to water source.
Areas: Fish Hatchery Road, Pine Forest, Knight Road
