

I Am A Pilgrim

[Verse 1]

G D7 G G7
I am a pilgrim and a stranger
C C7 G D7
Traveling through this wearisome land
G G7 C C7
And I've got a home built in that yonder city, good Lord
G D7 G
And it's not, not made by hand

[Verse 2]

G D7 G G7
I got a father, a mother, a son and a brother,
C C7 G D7
And a sister gone to that other shore
G G7 C C7
And I am determined to go and see them up there
G D7 G
and live with them forever more

[Verse 3]

G D7 G G7
When I go down to that river Jordan
C C7 G D7
Just to bathe my weary soul
G G7 C C7
If I can but touch the hem of His garment, good Lord
G D7 G
well then, I know, O yes I know, He'll make me whole

[Verse 4]

G D7 G G7
Now when they've laid me down for the last time
C C7 G D7
with these old tired hands resting on my breast.
G G7 C C7
I don't want you to do none of the weepin' cryin' over me
G D7 G
because you know this old boy's gone to rest.
