

All Ability Wellness Healthy Relationships for Teens and Young Adults Ages 18+

This course equips teens and young adults with the tools and skills they need to make healthy choices and navigate life's challenges. Through gentle movement exercises, open discussions, engaging activities, and guided relaxation and mindfulness techniques, participants will gain self-awareness, the ability to self-regulate, build positive relationships, develop healthy coping mechanisms, and discover their strengths and talents. This empowering program is a journey of self-discovery for teens and young adults who want to take charge of their lives and live them to the fullest.

In this series of classes, students will acquire skills in:

- Self-awareness and self-acceptance: Understanding their strengths, weaknesses, and values.
- Positive relationships: Building healthy connections with peers and mentors.
- Coping with stress: Managing difficult emotions and situations constructively.
- Goal setting and planning: Setting achievable goals and taking action to achieve them.
- Discovering strengths and talents: Identifying and developing their unique abilities.
