We visited nubra valley, Siachen basecamp and pangong lake with Juley tours and it was a wonderful experience ! They are experts for Ladakh travel! Their local contact was very supportive in giving us an orientation of the whole tour. The bus and driver they had arranged was simply excellent, very cooperative and was our official group photographer too. The food and stay provided at all three places was excellent and they also arranged a yummy cake for our 18 people group to end it all super well for all of us !!!
