*The amount of your child's scholarship is determined by the Step Up for Students Scholarship Program and is based on the county in which the student resides (or resided) at the time the 2026-2027 application was submitted. If you have any questions regarding scholarship eligibility or award amounts, please contact Step Up for Students at www.stepupforstudents.org.

If the scholarship award exceeds the cost of tuition and/or program service fees, no tuition balance will be due from the parent or guardian. If the scholarship award is less than the cost of tuition and/or program service fees, the family is responsible for paying the remaining balance. Parents and guardians should review the Step Up for Students Parent Handbook for details regarding covered and non-covered expenses. Any fees, services, activities, events, sessions, or other charges not covered by the scholarship program remain the responsibility of the parent or guardian. This policy applies to all enrolled students.
