

# Ellie Walks: Nature Scavenger Hunts

Thank you for taking a nature scavenger hunt with Elly!

Get ready to explore the great outdoors!

These simple activities are designed to help young children ages 3-5 discover the beauty and wonder of nature, even if you're just walking around your local park or forest.

An additional page is added to create your own!

Happy nature scavenger hunts,

Elisa

You'll find a nature scavenger hunt for each of the following:

- Animals
- Insects & Arthropods
- Birds
- Amphibians & Reptiles
- Weather
- Foraging
- Plants
- Flowers
- Sensory
- Nature Scavenger Hunt (left blank)

Add a check, stamp, 'yes' or 'no', stickers, whatever you'd like in the blank box on the left of the column.
