

**Manages debris and safeguards against the loss of valuable items**

### Applications Include:

- Domestic and Commercial Kitchens
- Hair and Beauty Salons
- Barber Shops
- Pet Grooming Parlors
- Healthcare Facilities
- Dormitories/Motels

## Filter Screen

The filter screen, assembled as an integral part of the access cap, has 10 times the open area of the inlet and outlet connections extending the interval of cleaning and providing easy, non-contact removal of captured debris. Simply unscrew, withdraw, tap and replace – That's it!

# Endura® InLine Drain Strainer

*Installed on individual sink wastes in kitchen and sanitary applications,* the Endura® InLine Drain Strainer (IDS) prevents food debris, hair, lint and similar solid material from entering the drainage system, causing restriction and blockage.

Manufactured in both ABS and PVC, the Endura® IDS is based on the proven design of a drum trap, offering complete flexibility of installation either horizontal or vertical, the outlet being able to be set anywhere in a 360° range.
