

## **WELCOMING NEW MEMBERS FOR THE 2022-2023 SEASON!**

*The Sachem Marching Band & Color Guard is an award-winning member of the New York State Field Band Conference, made up of students from Sachem East High School, Sachem North High School, Sagamore, Samoset, and Seneca middle schools.*

*Membership of the Sachem Marching Band is open to ALL students enrolled in the Sachem Central School District who will be entering grades 8-12 this fall. It is recommended, but not required that all members who are a part of the woodwinds, brass, or percussion sections be enrolled in a curricular music course at their high school or middle schools in order to participate. This is one of the few competitive activities you can be a part of where there is no "bench".*

*Every single person performs & competes with us!*

*If you think you might have the passion and the drive, we have a place and a team waiting for you!*

***"New Members" are invited to join us for our next 4 rehearsals. The first of which will be held on Monday April 11th from 6-8:30pm at Sachem High School EAST. We hope to see you there!***
