The song is very elementary. The beat is pretty enjoyable. The switch in the middle was a little weird and sounded very clunky. The middle sections sounds a lot like DJ is trying hard to mix two different songs together and it doesn't work well. If the sections were separate I wouldn't doubt the parts sound good.

This song is really repetitive and not in a good way. The lyrics are trite and boring. I don't understand the title of the song either. This track doesn't feel finished to me, despite reasonable production quality.

Male vocalist has a deep voice that's repetitive and unlikable. It's dull and monotone delivered in a dreary manner. The song is techno and dull with no fun or zing. It's boring and the lyrics are inane.

"Excalibur (Extinction Day) by DJ Jorge Gallardo sounded as if something were missing. The beats and rhythm of the song felt flat. The way the song changed from sound to sound didn't blend to me.

This was a very upbeat song. It is get up and dance time. It is tap your feet time at least. The male singer had a nice voice. The drums were very good and I liked the change of pace.

I actually thought this song was rather funny. The chorus was repetitive, and clearly meant to be just a fun party style dance track. The instrumentation was also a little odd.

I thought that the rhythm and beat of the song were fire. It was really nice to listen to and was super chill and the lyrics and vocals as well were a nice add to the song.

This is a nice song. His voice isn't just too appealing, but this song has its advantages. I like the steady beat though. It is calm rhythm and that is what is wonderful.

The beat was very elementary -- it didn't really catch my attention. The vocals were jumbled and didn't add anything to the song. Overall, this fell pretty flat with me.

- 5** 33  This track is quite mellow and unique overall to the vibe of it I think with minor adjustments it could be a real hit song id love to hear more of this artist for sure.

- 4** 36  I wasn't a fan of this song. The vocals are over edited and auto tuned which isn't appealing or attractive. The beat is steady but too simple along with the melody.

- 1** 43  The voice is awful. The song is retarded, and just a mindless brain fart. I am laughing at how silly it is. I want to hear worse songs but it is not possible.

- 4** 44  "pour another shot with me". Man, he sounds like he's already had a half a bottle of Jaegermeister! Bland and uninteresting. Doesn't really do much for me.

- 7** 41  This is a nice song. The only thing that is displeasing to me, is his voice. I dislike the way that it sounds. The rhythm is really interesting though.

- 9** 36  This is the perfect club song. This would also be great for parties. I can see it on my workout playlist too. Well done creating a track that is a hit!

- 6** 32  This is an okay song overall. The instrumental sets the rhythm and beat, the vocals could be better, the lyrics are alright. I'd give this a 6. 5/10.

- 7** 24  The isnrumental beat is really catchy but it was ruined by the lyrics and the vocals. I just did not like the combination of all of them together.
