

CPSA DC210 San Jose 2025 Community Support Project

Flowers for Los Angeles (Area Fire Victims)

100% of proceeds donated to World Central Kitchen and the LA Arts Community Fire Relief Fund <https://www.getty.edu/news/foundations-and-arts-organizations-create-emergency-relief-fund-for-la-arts-community-fire-relief-fund/>

Project Description

The cities and neighborhoods hit hardest by the ongoing fires in Los Angeles (which includes Pacific Palisades), Altadena, and Malibu, each have official flowers. The chapter invites members to create an artwork(s) featuring one or more of these flowers for reproduction as greeting cards to be sold at the Livermore ArtWalk in October. In addition, the artwork will be assembled and displayed as the chapter project for this year’s CPSA convention.

Contributing Member’s Donation

Of course, your artwork and your time taken to complete it, makes this project possible. We will work with printing and materials providers to arrange donations.

Flowers

Los Angeles which includes Pacific Palisades – Bird of Paradise

Altadena – Hydrangea

Malibu, famous for its wildflowers and super blooms – Mariposa Lily, Chocolate Lily, California Poppy, Monkey Flower, Coastal Sagebrush, Matilija Poppy, Black Sagebrush, California Lilac, Deerweed, Blue-eyed Grass

Guidelines

Project guidelines and deadlines are available in the “Members Only” section of the chapter website. If you cannot access the section, please send a message to [Contact Us](#) for assistance.
