

United States Department of State

Washington, D.C. 20520

OCT 30 2015

Case No. F-2015-06322

Segment: S/ES-0002

Mr. William F. Marshall
425 Third Street SW, Suite 800
Washington, DC 20024

Dear Mr. Marshall:

I refer to our letter dated August 31, 2015, regarding the release of certain Department of State material under the Freedom of Information Act (the "FOIA"), 5 U.S.C. §552.

The review of records retrieved from the Office of the Executive Secretariat is still ongoing. We have reviewed 25 additional responsive documents and have determined that 12 may be released in full and 13 may be released with excisions. All released material is enclosed.

An enclosure explains Freedom of Information Act exemptions and other grounds for withholding material. Where we have made excisions, the applicable exemptions are marked on each document. All non-exempt material that is reasonably segregable from the exempt material has been released.

We will keep you informed as your case progresses. If you have any questions, you may contact Trial Attorney, Caroline Anderson, at (202) 305-8645 or Caroline.J.Anderson@usdoj.gov. Please be sure to refer to the case number shown above in all correspondence about this case.

Sincerely,

A handwritten signature in black ink that reads "John F. Hackett" followed by "for" and a small flourish.

John F. Hackett, Director
Office of Information Programs and Services

Ok seems like everyone is fine with no plus 1s. So can we proceed with ministers only. In that case, there is room at hrcc house to do it which I think they would like.

Don't like the idea of going to an Italian restaurant.

The hold up has been that Wendy agreed to plus 1 for the dinner which affects the room size obviously.

Will report back soon but hold on everything for now.

Subject: G8 Ministerial Dinner Location Update

Good Morning,

A quick update on the dinner site based off of last week's conversation with the Secretary. With the residence not an option, Café Milano is available on the evening of the 11th. This would be in the room in the front of the restaurant. They would close it off and drape it for privacy.

Please let us know if this is the option that we can confirm and we'll begin planning. Our thought is to bring in background music in the corner, one long table, cocktails and hors d'oeuvres upon arrival.

Would also need final confirmation that this would be leader only, but security staff can hold inside the restaurant. We have space available for them.

Thanks

Attached is the rendering from Hargrove for the table set-up for G8 Ministerial. A custom wood table is cost prohibitive.

This would be a draped circular table, and we have asked for other options for chairs.

Hargrove is looking for sign-off on the table ASAP. Capricia has seen and approves

A while ago you enclosed a note in a letter Hillary sent me, following up on her invitation to have supper, movie, whatever. I had been reluctant to accept since I imagine she might prefer a nap to an outing, but if she is up for adventures, please add me to her list of coadjutors.

Dearest Rob: yet another request/heads up. Janet V. Green was the Deputy Director of the '96 Democratic Convention in Chicago. I worked for her '95-'96 and adore her. She and her husband and two friends have purchased tickets for the event described below. HRC, with a prompt, would recognize Janet. Could you see if there is a VIP reception before the event or some appropriate function where Janet, her husband, William P. Williams (yes, he really is Bill Williams! But also a judge in the Norfolk Juvenile and Domestic Relations District Court ;) and their two friends as listed below? Janet is a huge HRC and WJC fan (she worked for him in the White House: when he founded Americorps--remember when the plane crashed into the White House: the launch of Americorps event was Janet's and the plane crashed into the WH one hour before!! And you think herding HRC's friends to the gift shop was stressful....). Anyway, whatever you can do will be gratefully accepted. Love, Betsy

"Indeed, the complexities and connections of today's world have yielded a new American Moment, a moment when our global leadership is essential, even if we must often lead in new ways. A moment when those things that make us who we are as a nation – our openness and innovation, our determination and devotion to core values – have never been more needed. This is a moment that must be seized through hard work and bold decisions to lay the foundations for lasting American leadership for decades to come.

But now, this is no argument for America to go it alone; far from it. The world looks to us because America has the reach and resolve to mobilize the shared effort needed to solve problems on a global scale in defense of our own interests, but also as a force for progress. In this we have no rival."

-US Secretary of State Hillary Rodham Clinton

Dear Elan International LLC,

Following your message of 23rd November 2011 (see below) addressed to our President Dr. Suhair H. Al Qurashi with the invitation to The Women in Public Service Project and Colloquium, which we duly responded to on time and completed the survey, etc., we have not received any acknowledgement or feedback from you or any one else from the State Department.

Recognizing that acceptance of this invitation involves a 10,000 mile journey and other travel logistics and those of participation, etc, it would be very helpful to know the nature of the program and information on other participants who will be attending, in addition to the Secretary of State and the Presidents of five US women's colleges.

Any further information will be very helpful for President Al Qurashi to plan her visit to DC and participate in the Colloquium.

She is currently scheduled to arrive in DC a couple of days before the Colloquium and is already on her way via the UK

Thanks and best regards,

Saleha Abedin

Hi Huma-

Attached is our recommendation for your escort cards. The reason this is different from the version you saw at the tasting is because Cheree can do this version for \$300 (the number that we have in the current budget for escorts) while the original version with the gold cord would be double the price (\$600). We'd love to get your approval/thoughts on this so that we can order with enough time for calligraphy. Let me know what you think. Thanks so much!
