Communications:

Crane brought PC members attention to the recent Township Insights email and encouraged members to take time to read it and reach out to State Representatives if so inclined.

Crane and Turpening confirmed that the motion regarding the Moratorium on the Data Ordinance will be on the Board's agenda for the meeting next week.

Unfinished Business:

Continued discussion of the Data Center Ordinance. Discussion surrounding how best to mesh the 2 ordinance drafts. Tabled until the April 7, 2026 PC regular meeting.

New Business:

Motion made by Schnieder and supported by Beauleaux to make the Board aware of the early investigatory interest of Korsail Energy (in collaboration with Consumers Energy) for a 5 MW battery storage and solar facility in Palmyra Township and outside of the Green Energy District (39 acres PAO-107-1550-00). Recommend to the Board that the information be sent to Foster and Swift so that it can be acted on if they feel it appropriate. Roll call vote: Larose- yes; Beauleaux- yes; Crane- yes; Pell- yes; Schnieder- yes; Turpening- yes. **Motion carried**

Discussion regarding special language for a water project. PC members had several questions regarding whether the township would benefit. Crane to address at the Board level.
