

The truth you are searching for is hidden right in front of your eyes
and the thing you desire the most you already have

Behold - I AM yOur Father

The glory of God is to conceal a thing,
but the glory of kings is to search out a matter.

Pro. 25:2

Our story starts in the Father's garden with the first Adam (a gardener) and his bride; there is also a tree, fruit, the accuser, temptation/betrayal and a fall that leads to a curse of thorns. The man and woman are evicted and death follows. Gen3:17-18 God places Cherubim angels at the east of the garden to "keep the way". Gen.3:24

The story continues with the last Adam going to a garden where the accuser tempts Him, Jn18:1 He does not fall BUT He is betrayed. Lk22:3,48 He also is evicted from the garden and goes to His death. This Adam though, takes the curse of thorns and wears it as a crown; He dies on a tree and is buried - in a garden tomb.

A woman re-enters the garden, sees two angels and someone she thinks is - The Gardener! The angels were not there to "keep the way" closed - but OPEN.

Sin entered the world because a woman took "fruit" OFF a tree; the first Adam listened and fell. The last Adam does not give into temptation and redeems ALL things by putting the fruit of the fall - sin, back ON the tree.

The risen Y'shua does not show Himself to the men who came to the tomb Jn20 but chooses to wait for her; thus the last Adam's first act is to restore the woman.

Our story ends – in a garden with a man, His bride and a tree - but the accuser and curse are gone. Rev21-22
