

COVID-19 Reopening Plan

POLICIES AND PROCEDURES

- 1. Admittance:** Temperatures checks with touchless thermometers will be done for all employees, athletes/participants, and spectators upon entry. Anyone with a temperature over 100.4 will not be permitted to enter the facility. You will walk across a bleach/water soluble mat to clean the bottom of your shoes. You will need to wash your hands immediately upon entering the facility.
- 2. Hand Sanitizer:** Additional hand sanitizer stations have been placed around the facility.
- 3. High Contact Surfaces:** Any surface considered 'high traffic' will have an even more rigorous cleaning schedule, such as door handles, railings, bathroom doors, etc.

Athletes are not required to wear face coverings while actively engaged in workouts but must wear them in the common areas (i.e. lobbies, restrooms). Spectators are required to wear a mask. The Pennsylvania Department of Health does not expect businesses to put employees in harm's way by enforcing this order.
- 5. Occupancy:** According to the guidance from the Commonwealth of Pennsylvania, we will have a maximum occupancy of 250, and the facility as a whole will not exceed 50% of total occupancy otherwise permitted by law.
- 6. Physical Contact:** Avoid unnecessary contact before, during and after activities (fist bumps, high fives, shaking hands).
- 7. Social Distancing:** Seating will be available throughout the building that will allow for social distancing.
- 8. Waivers:** A new waiver must be completed by all participants upon registering for classes:
