## **Late Payment of Tuition Fees**

The school has financial obligations that it must pay on time (rent for schoolrooms, office fees, government fees, insurance, etc.). If any of you are late with tuition payments, it exposes the school to additional costs. Therefore, we are introducing penalties for late payments. **The penalty will be \$10 per child for each started month of delay.** So, for example, if someone pays the tuition only on November 17 and has two children in school, the penalty will be \$20.

**Children of parents who have not paid half of the tuition, along with the late fees, by the end of January will not be able to continue their studies in the Polish school.**

## **Additional Fundraising**

To raise funds for the Christmas play, picnic, field trip, and various competitions for the children, the Polish School is organizing two forms of additional fundraising this year. For those who do not have time or do not wish to participate in a given fundraising activity, there is the option to buy out.

## **Profitable Event**

As every year, the Polish School is organizing a Valentine's party for adults. **According to the School Board's decision of 04/28/2012, each family is required to purchase at least one ticket.**

## **Shopping Dollars**

As in the previous year, we offer you an excellent way to help the Polish school. The excellence of this form of help comes from the fact that the school will earn money, and it won't cost you anything! These are shopping cards (gift cards) that you can purchase for a specific store. For example: you buy a card for \$100 to ShopRite, and you can spend that \$100 in the store. It costs you nothing, and the school gets 5% from the purchased cards.

We propose ShopRite, where most of you do your shopping. According to the school board's decision, each family must purchase \$400 worth of cards per year. Those of

you who find this form of help too burdensome can opt for a buy-out and simply donate \$20 per family to the school.

### **School Duty**

To ensure safety during the lunch break, we require each family to sign up for duty three times a year. The duty schedule will be prepared by the school and available on our website: [www.szkolajezykapolskiego.com](http://www.szkolajezykapolskiego.com). Additionally, you will be notified by email when it's your turn to fulfill your duty. Of course, if the assigned dates do not suit you, you can switch with other parents. **Each family will be required to pay a deposit of \$60, which will be refunded at the end of the school year if the family completes all three duties.**

### **Tasks of the Duty Parent**

Since some of you have asked about the responsibilities of the duty parent, we present the following list:

1. The duty parent who is on duty escorts late students to their classrooms and also brings down students who need to leave early.
2. The duty parent orders pizza for lunch and distributes it according to the list. The duty parent also distributes juices and cookies to the children.
3. The duty parent reminds the children not to run in the cafeteria, not to shout, and not to push each other.
4. The duty parent checks to make sure children are not making a mess in the bathroom.
5. The duty parent ensures that children remain only within the cafeteria area.

I accept the above financial agreement.
