Sail away.

1975

im sailing away im leaving today,
a place of mine some how ill find.
ill get where i belong,
needing no one to rely on.

This frame of mind ill leave behind,
i can be some one ill go on tryin.
ill see all ive been missing
a world is out there waiting. *waiting*

Sail away why hesitate
ill take all i can.
ive been cut off here
i gotta see clear
who gives a damn.
who'll lend a hand. *A hand*

Solo

Sail away why hesitate
ill take all i can
ive been cut off here
i gotta see clear.
who gives a damn.
who'll lend a hand. *a hand*

i have the time wont throw it away,
some how ill find wont leave it too late.
To dream it all depends.
I'll follow my heart to the end. *To the End*

To the End

Sail away why hesitate
ill take all i can,
ive been too long here,
and getting nowhere.
ill go take my chance
its in my hands.

Sail away why hesitate
Sail away im not afraid
Sail away why hesitate
Sail away im not afraid
im sailing away
im sailing away
im sailing away on out.
