

I'LL TAKE YOU THERE.1978

Well if you want to go to the Moon,
 Run away with me take a chance.
 all i have to Give is just for you.
 Maybe you could understand,
 if you come a little closer,
 Try Giving me a chance.
 im Really Giving all i've got,
 wont you let me through.
 Tell me what i have to do.

will i ever get to having you,
 ever get to having you.
 will i ever get to having you.
 ever get to having you.

well if you want to go Round The World,
 put your trust in me take a chance.
 i give my heart and Soul on my word,
 maybe you could understand,
 if you look a little Deeper,
 Try giving me a chance.
 im Really Giving all i've got
 cant you let me through.
 Tell me what i have to prove.

ill Take you There, ill Take you There,
 anywhere you want to Go,
 ill Take you to where ever you say,
 ill Take you There, ill Take you There.
 To where we'll Be alone.
 To where we'll Be alone.

will i ever get to Having you.
 ever get to having you.
 will i ever get to having you
 ever get to having you.
