

HOLDING ON.

1975

you've had ^{enough} your share you say you're through.
 There is nothing left to save or lose.
 you'll have to face the truth
 she's still in love with you
 to settle down you know
 this you could never do.

no matter how you feel she's still in love
 to hold you down she only makes it worse.
 she wants from you a world
 that you have never known
 could there be happiness
 to live a lie alone.

when all is said and done,
 she is the only one
 holding on, still she's holding on.
 it can't be all that bad,
 if it really is it's sad
 holding on, still she's holding on.

you've always found it so hard to leave,
 how will it be when you are in too deep.
 you've never kept your word,
 she knows you never could,
 now you can spare you both
 the sorrow you may cause.

when all is said and done
 she is the only one,
 holding on, still she's holding on.
 it can't be all that bad,
 if it really is it's sad,
 holding on, still she's holding on.
