Alone

One of me all of you,
Constant paranoia lurks,
Always falling from grace.
You've severed me from all emotion,
Made me feel claustrophobic and
scarred. Just
Hate comes in bits and pieces,
Always takes me by surprise.
Searching for a cure for self-hatred.
Just a simple temporary enemy,
~~Alone Feeling~~

Elaine
Harrington.

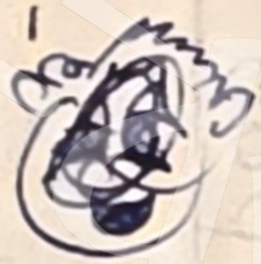

Excellent.

My pain numbed - for the time being.

Yours

Elaine
