LOA

Press lips on the facts,
Deeking all the fast tracks,
Knee better & more clever to
add "Relax".

Flare eye, face stripe,
Thief in broad daylight.

Teager like saliva - make
your Da sun suite.

Reduce 'em, seduce 'em,

Dress 'em up in 'Fruit of
the Loom'.

No less competent to shoot

The breeze & flash the moon

Middle class feller (or WC folk
privileged) take without
asking. on flight (business)
- Rape - it's a class thing -
it's a power thing.

travelling ← according
unrewarded: to ~~over~~ her
needs.

the
Ultimate
- salary
- benefits
"getting off the hook."

→ Middle class feller do ... *
working class feller wouldn't
ask you to leave your
seat, etc & they
- at home wouldn't

Love don't live here,
She kept me a river,
Triller than didn't deliver,
Honor to the highest
broder-satt truck all else
forgive her.

||

||

marriage &

Crazy for being when
being back & starting of
Ireland.

far
rears beyond

And try knots in stalks &
beyond gets sweet-talked

And in turn styles dished
& sentiments necked.

Don't know which is more
amusing, deep or low.

Down in the dumps -
trading eye peppers for
sugar-lumps.

Still slowly 'worked' -
intricate, still have the
Puni - driven lump.

Doan or a fad —

Is it deliberately — or just
the fuck easy?

New fad to amaze me — or
the businness of phare, G.
Authenticity? Real?

Keep it —————→

Keep it quiet where reflection
is warranted.

Get a princess in a head
lock when beats drop & the
look is ornamented.

Deprive a queen from
potential props in her vult
Stashing rocks in a

as a word - it's an action
or admission -

Absurd to think to now find
it in such a pride built
world.

And not expect to be called
out on your deviation from
righteousness.

You preach humility? Then

beard the fuck you have

And grace tho' for my sake

Real dignity

And quit that spitting

promiscuously.

Belittling your vocab,

one of two - either - ce

drives push you delusion to
the top,

snaking off the front -
just to get to this certain
month — or Rua

Redder raking safety pins
on the gun,

Not to move you but to
prove the weather says

could conclude in prayer
And bail out as you mad
- dog stare.

I'll let you win 'cos I
can ~~do~~ 'cos I really do
care.

Self this talk of humility

(Render 3) thumbhe (Pie In
the Sky)

All by letters - No aerogram
~~2 turn tables but no 12 swatky~~

You're dog damed right I'm
extremist & irrational.

Temper-mentally ill - ill called
with an 8th step to hell

Willed with regret & all sorts
of seeded to spill.

Laissez faire more with no
tricks by my flanks to spare

Tr ~~ff~~ the Aesop tale with

She swack for she have

I'll let you frozen

I used to be a landmouth

Remember me!

The non-Elayreans with
the capital 'E'.
