Temper-Mental MissElayneous (Elayne Adamczyk Harrington) Presents *Temperamental Miscellaneous*: A Dedication to Frank Murray and a Celebration of Irish Art, Poetry, and Hip-Hop

Dublin, Friday, 21st February 2025 – Acclaimed artist, poet, rapper, and educator Elayne Adamczyk Harrington, known as Temper-Mental MissElayneous, announces the remastered release of *Temperamental Miscellaneous*. The album, which honours her 15-year journey as a trailblazer in Irish hip-hop, spoken word, and fine art, launches with an immersive and interdisciplinary celebration at Flux Arts Space, Dublin 2.

A heartfelt tribute to the late Frank Murray—legendary manager of The Pogues and Thin Lizzy—the album includes classics like ‘Dominoes’ and ‘Step In The Ring.’ These tracks capture Elayne’s unique ability to blend sharp lyricism, experimental sound, and cultural critique, solidifying her position as one of Ireland’s most dynamic artistic voices.

Frank Murray’s influence on Elayne’s career is unmistakable. As the head of Hill 16 Management, he nurtured her early career and connected Elayne to mastering engineer Aiden Foley at Masterlabs. Produced by Mark Lowndes, her debut single ‘Dominoes’ hosted a cameo appearance of Frank at the beginning of the music video, directed by Shimmy Marcus.
