

January 2022

## Hello Garden Ladies!

I know everyone has received news of the Friendship Tea cancellation. We are all disappointed! However, we are a group of very determined women who will move forward to continue our SCGC missions.

We are hopeful that COVID will have subsided enough to allow the club to hold our February general meeting. I will stay in touch regarding our decision to continue or cancel our February 17<sup>th</sup> General Meeting. Let us all think positive!

As you know, January is the month the nomination committee presents nominees for the 2022 – 23 SCGC Board. In view of our cancelled January General Meeting, we must conduct our election by email. You will receive an email informing you of the nominated officers to be voted on by the members. Please be watching your email and return your vote as soon as possible. The deadline for voting is January 20<sup>th</sup>.

I leave you with this quote:

“When the world wearies and society fails to satisfy, there is always the garden.”
