

## From the President . . .

With this virus having a greater impact on our community and nation, we felt the need to cancel our March meeting and workshop. Of course, that put a major blank spot in my calendar. Now how will I fill my time? Gardening comes to mind. With tears in my heart I will be pulling up my pansies this week. This is the first time I have had pansies that have looked good. Knowing me, I will be dragging my feet on this job for a few days. I just hope Monday when I pick up my spring plants from the garden club order, I know I will get excited about planting again. At this time – I don't even remember what I ordered. Surprise! Surprise!

I will be thinking about all of you as I dig in the dirt. Please take care of yourselves so we can get through this together while we plan for our future garden club activities.

## SPRING EXCURSION

Shirley Gordon and Ann Price have organized a trip to Palestine and Tyler on April 22 and 23. We will spend one night in the Hampton Inn in Palestine. Events will include a visit to the famous Rose Garden in Tyler and a train excursion. (In the Presidential Car, of course.)

Please send Ann or Shirley your check for \$100.00, to cover the train ride, an elegant meal in Tyler, and the Rose Garden fee. You will need to bring money for your hotel room: \$107.00 for two people, lunch, and dinner.

For more information, please contact Ann or Shirley.

Remembrance

Margie has sent a card to Jean Ross.

## Yards of the Month for March

**Al & Inge Duran**  
1247 Creekford Circle

**Joe & Edwina Roady**
