GARDEN CLUB

May 2022

Dear Ladies,

As this will be my last newsletter of the year, I have been reflecting on what I would like to share with all of you. My first and most important thought is the tremendous blessing you have given me by allowing me the privilege of being your president this year. I will always carry these precious times in my heart.

You all have contributed throughout the year in such generous ways—be it your time, your talents, creativity, your treasure. Most treasured by me is your kind enthusiastic support and guidance.

However, our year isn't over yet! You must make your reservations for our exciting May Luncheon & Meeting. In addition to enjoying a sumptuous lunch we have an interesting program on "Fountains in Your Landscape" presented by River Oaks Plant House.

Our horticulture scholarship recipients will be presented followed by Announcement of the Annual Ginnie Russell Award. Our new president and her board will be sworn in which is the beginning of our new year!

Please contact Mignon Heizer to make your reservations via email or phone call. Mignon's number is in our directory. Please join us at 10 AM in the Ball Room on Thursday, May 19.

Once again, I thank you for a beautiful year. As we move forward to 2022-23 with our new president Kathy Luckenbach and her talented board, I have no doubt Kathy will lead us to more success with her impressive skills, grace, and innovativeness. The 2022-23 year will be awesome!

Sugar Creek Garden Club—What a blessing to be part of this amazing club!
