

## *June Sugar Creek HOA Newsletter - SCGC President's Update*

Can you believe it is June already? Still staying close to home? I know I am!! It's been 10 long weeks since my home became my office, my gym, and my restaurant. In what seems a shrinking world, I'm feeling especially grateful that I live right here in Sugar Creek. The Sugar Creek Garden Club (SCGC) is slowly coming out of COVID Isolation. I am cautiously optimistic about the upcoming year events. We are starting to develop plans for the upcoming season that I think you are really going to enjoy! June starts my first official day on the job as the new garden club president. Accolades to Miriam Watson for doing a terrific job last year. I hope I can adequately follow in her footsteps.

COVID has changed so many things...the world actually. This new term is going to be very different.

My theme for the 2020-2021 term will be HOME SWEET HOME: BLOOM WHERE YOU ARE PLANTED. An appropriate theme while we are trying to get back to a 'new' normal and not venturing too far from home. Right now, we are trying to reschedule the missed May Luncheon and Installation of Officers to July at the club. The tentative date is July 23<sup>rd</sup>. We will be practicing social distancing. Please save the date and join us.

The number one task at hand is the membership drive and growing our membership. We are all about growing friendships through the membership in the garden club. Everyone in Sugar Creek can be a member. Joining the SCGC is a way for you to grow, learning more about the many aspects of gardening, flower arranging and decorating. The garden club is a way to meet and work with neighbors and friends and we have so much fun when we get together! The garden club works all year to beautify our neighborhood. If you join this summer, your address will be placed in the SCGC Directory, a great way to contact your neighbors and friends!

The garden club will **not** be on hiatus **this** summer. I plan to kick off the new year in August since we missed March, April, and May of last year. Do know that we will be coming to you with great informational programs each month. Please contact our Membership Chairman, Patsy Jones, at 281.491.3936. Our number one goal is to beautify Sugar Creek and focus on special projects right here in our neighborhood. Since we are staying close to home this year, please consider joining SCGC today. We would love for you to garden with us. We meet at the club on the third Thursday of the month at 9:30 a.m.

I hope all of you have a wonderful and healthy summer and remember... let's bloom where we are planted,

*Linda Edmiaston*
