

President's Message

***“Sowing the Seeds of Gardening
From Style to Design
to Planting”***

Theme for 2021 -2022:

It is my honor to serve as the president of the Sugar Creek Garden Club this year.

What an exciting year we have before us! As we celebrate the Sugar Creek Garden Club's 50th Anniversary this fall we have even greater opportunity to continue fostering the love of gardening, make lasting friendships and contribute to our little piece of heaven we call Sugar Creek.

As we all are too aware, our gardens and yards have suffered tremendously from the February 2021 freeze. With this in mind, our programs this year are designed to inspire and educate our neighborhood toward recovery and rejuvenation. I am confident our Sugar Creek Garden Club is up to the challenge!

Please join us in making the SCGC 2021-2022 year a time of “Sowing the Seeds of Gardening” by inviting friends and neighbors to join you. There is no better time!

Ann Wendell
