

## September Sugar Creek HOA Newsletter - SCGC President's Update

Our Sugar Creek Garden Club is "Blooming where we are Planted" right here in Sugar Creek. Have you seen the new pots at the guard house? That is the Garden Club hard at work for all of the Sugar Creek neighborhood!

**Did you know?** HOA and SCGC partnered together to beautify the Sugar Creek entrance at the guard house. The Garden Club funded and filled the new pots, urns and planted a great deal more Caladiums and Macho Ferns. Our HOA funded the irrigation system changes required for proper watering. This partnership works well and we look forward to future projects which are in the planning stages right now.

Did I say future projects? We have a SCGC Fundraising Campaign going on right now. This campaign will allow us to continue beautification efforts. Please contact Ann Wendell if you would like to support this effort. She can be reached at [annwendell@yahoo.com](mailto:annwendell@yahoo.com). Ann is the mastermind who designed and arranged the guard house pots and urns. Great Job Ann!

On September 17<sup>th</sup>, we will host our Welcome Coffee. We meet at Sugar Creek Country Club every third Thursday of the month at 9:30 a.m. We gather to enjoy fellowship with new and longtime friends! We will be featuring an outstanding speaker this month, Linda Franzo. Linda, of the Passionate Platter from Louisiana, will be showing us some great herbal recipes. She puts *pizazz* in her food and *passion* in her gardens! Workshops, field trips service projects, scholarships, and fundraising make a busy year. Join us... we're a friendly group! To become a member, please contact Patsy Jones at [patsyjones@wt.net](mailto:patsyjones@wt.net)

We are thrilled to announce the launch of our new and mobile-responsive website. We invite you to visit us at [www.sugarcreekgardenclub.org](http://www.sugarcreekgardenclub.org). We have built our new website with our members, future members and Sugar Creek neighbors in mind. Each month you will find a new blog with information about our meetings, speakers, workshops, field trips, monthly horticulture tips, and the "Yard of the Month" award. Like every website, it will continuously be updated and evolve, so please check back often. We hope you find the new website easy to access the information you are seeking.

I look forward to getting to know each of you better, as we make a difference! As we beautify our community, we enhance our property value and that is something we all want to grow!

Blooming where I am Planted,

*Linda Edmiaston*
