

SCGC President's Update

Whatever is beautiful. *Whatever* is meaningful. *Whatever* brings you happiness.
May it be yours this holiday season and throughout the coming year.

Happiest of Holidays to You All!

REMEMBER: The Joint Holiday Luncheon sponsored by Sugar Creek Women's Association and Sugar Creek Garden Club will be held on Thursday, December 3, at Sugar Creek Country Club. The Luncheon chairs are Sandra Dickey, Mary Denena, and Sharon Leonard. "Forgiven" is the name of the band providing our entertainment, and they believe the best way to spread holiday cheer is to sing loud for all to hear! Their fervent lyrics and sparkling melodies will heighten your holiday spirit. I'm looking so forward to singing along!

By now, you have seen the three guard houses come to light! The three deer are out and lit, too. There are new big beautiful bows on the wreaths all around the subdivision. Each year, we try to make enhancements, and this year is no exception. I am very excited and proud of the new enhanced wreaths.

Don't forget...Garden Club judges again will be driving the neighborhood from December 7-11, seeking the winners of the annual Holiday Light Contest. Get Ready Now!

Woohoo! Yes...Beautification Project #3 Update. We have been so busy! SCGC and HOA partnered and got down to business at the corner of Country Club and Longview. Our HOA removed the Oak and Pine trees. They powerwashed, and installed two new solar lights. The Garden Club purchased three Crepe Myrtles for the esplanade. We planted two new Eagleston Holly trees and many Foxtail Ferns in the brick planter boxes. You will also see us looking to put end-caps on Country Club in this area, but that planting will have to wait until Spring. Please tell us what you think!

Ann has been hard at work refreshing the Sugar Creek guard house entrance. Snaps, Cabbage and Cyclamen have replaced the Caladiums. Whew! This is wonderful work and we should all be proud. Take a drive by and see it all!

Wishing you a wonderful happy and healthy holiday season.

Blooming where I am Planted,

Linda Edmiaston
