President's Letter -

To the ladies of SCGC,

As my term as president comes to an end, serving in this role has been one of the most rewarding experiences of my life. What a fun time we had!

To all of you, thank you. For your support, your patience, your mentorship, your guidance and your dedication. It's been an honor and a privilege to serve you.

A heartfelt "thank you" to my board members for their hard work and time spent helping make this past year so successful. I am truly grateful to my committee chairs and committee members who together made our fundraising efforts, monthly board and general meetings, workshops, backyard tour, yard of the month, plant sales, excursions, beautification & all our other events, so exceptional.

To our incoming leadership team: I hand over the reins with confidence. The future of our club is bright, and I look forward to continuing as a dedicated member.

To those who've been with the club for years, thank you for your dedication, experience and wisdom.

Please continue to mentor our members and share your knowledge.

To all members, stay engaged. Your participation, ideas and involvement are vital to the growth of our club.

To our newest members, welcome. You've joined a club that values fun, learning and friendship. Raise your hand and get involved.

Lastly, a special "hug" for those who supported me beyond anything I asked for. Thank you all so very much!

I look forward to next year with less stress! and always remember...

"You're never too old to play in the dirt"

Save the Date -

The theme of this next year's fall fundraiser is
"Monte Carlo Charity Casino Night"

This is one of the two major fundraisers of the year for the SCGC. We are still looking for volunteers to assist in helping organize the raffle drawings, the silent and live auctions.

Because the event is in October, we are beginning to organize and plan activities right away this summer. If you have time constraints that don't allow you to volunteer right now, please consider the possibility of donating items, weekend places or even hunting or fishing spots to the auctions. Contact Shelley Whitworth if you are interested in helping out.

Mosaic Pot Workshop -

On April 9-10, SCGC hosted a Two Day Mosaic Pot Workshop. Each of us decorated 10" terra cotta pots to take home and plant. In addition, we decorated a large pot to auction off at our fall fundraiser. The creative juices were really flowing and the pots were all so very different. We glued old chipped china and pottery shards, small tiles and even old costume jewelry. The second day we grouted and then polished off the shards and tiles.

Remembrances -

A get well card was sent to Larry Schultz, the husband of Jenny, for back issues that he has been having.
