GARDEN CLUB

September 2022

PRESIDENT'S LETTER—

Hello Friends,

Happy to report, our club has grown, and new roots have sprouted. Ideas blossom with Great Programs, Fun Outings, a Magical Annual Fundraiser, the Spring Friendship Tea Party all binds our strong roots of friendship.

At our September General Meeting, I will have at each table a folder full of information to sign or sing out about for different opportunities that you can join.

The upcoming Kokedama Workshop, bake sale, field trip, and Poinsettia Sale, and more because I am sure I have left something out. Please let me know, I am a phone call away!

Did you know we won the Gold Club award last year? How exciting for our past presidents Linda and Ann. There is so much that goes into it, our programs, activities, and the annual yearbook, which is full of very useful information.

Dana Knox included in the yearbook what we have done in the past, our upcoming programs, board meetings, Houston Federation Garden Club programs and lots of other resources, and most important, members of the club. Please take time to go through it, the answers to some of your questions are there.

See you soon, the fun and learning are just around the corner.

~Our Deep Roots Lead to Future Blossoms~

My honor and pleasure,

*Kathy Luckenbach,
President*

It is Not Too Late to Pay Your Membership Dues!

The Yearbook Directory has already been sent to the printer; however, it is not too late to join SCGC. If you have not yet paid your SCGC membership dues, an application form is included this newsletter. Please fill out the application and send to Judy Johnson at 3015 Bainbridge Court, Sugar Land 77478 along with your check made out to SCGC for \$45; or bring your application and check with you to the September 15th SCGC meeting. Please forward this information to others, including new SCGC neighbors you think might be interested in joining SCGC. Many folks are probably not aware of SCGC's contributions to the neighborhood's landscaping efforts in the common areas.
