

Sugar Creek Garden Club is hard at work on several projects. Have you seen the new Pots and Urns at the Guard House? They are AMAZING! We want to continue this work at other entrances of Sugar Creek.

Due to COVID-19, we are unable to host the Annual Dinner & Auction this year in person. However, we are still hard at work with our fundraising efforts. We would very much appreciate your generous donation even though we can't gather together this pandemic year. The benefit of donating will help us with our mission of *Home Sweet Home: Bloom where you are Planted.* This mission couldn't be more true since we are all planted at home 24/7 and we need to continue to bloom and beautify our Sugar Creek neighborhood.

Your support allows BLOOMING to continue! We have a **FUNdraising Campaign** going on.

Virtual Attendance:

We can't gather but you can still contribute what you would have spent to attend the party. Tickets were planned at \$50 per person to attend.

Please take a moment to fill out this form and mail it, along with your check, payable to Sugar Creek Garden Club (SCGC).
