It may be you hold Him with a feeble hand; you half think it presumption to say, "He lives as my Redeemer;" Yet, remember if you have but faith as a grain of mustard seed, that little faith entitles you to say it. But there is also another word here, expressive of Job's strong confidence, "I know." To say, "I hope so, I trust so" is comfortable; and there are thousands in the fold of Jesus who hardly ever get much further. But to reach the essence of consolation you must say, "I know."
