- Primary objective is to remove overgrowth and unused equipment

What do do when you arrive

- See the Check-In at the Stadium Entrance
 - Add your name to the log if you want your hours counted
- Choose an area that you would like to work on
 - Dependent on the tools you bring
 - We may have limited tools to lend
 - Drop off tools you can lend (add tag)
- Understand who else is working in the same area to avoid duplicate tasks
- Come back to the Check-In when you are ready to work in another area or are finished
 - Must Check Out so we know when the areas can be locked
