ugliness.

NARRATOR

**Later that night Marty was sitting
out of front of Winona's house
waiting for her to show up.**

MARTY

Hey Nona.. About time you showed up.

WINONA

Shut up... let's get out of here
before my parents catch us.

MARTY

I'm going. I'm going. It's a short
drive so it won't take long.

WINONA

Hey there it is.. Crap it looks ever
scarier at night. How are we getting
in Marty?

MARTY

Don't doubt my genius.

Look the back door is unlocked. Let's go.

NARRATOR

**As Marty and Winona enter the back
of the abandoned house on Kean
street... they had no idea what was
about to happen next.**

WINONA

Marty... besides the creepy sounds
and weird smells and dust... there
isnt really anything here.

MARTY

I think we need to check out the
basement.

WINONA you know that's
where everyone dies in horror movies

right? " OH yA lEtS gO tO tHe
BaSeMeNt"

MARTY

you can stay here if you want.

WINONA

Uh..... no no no I'm coming too.
I'm not staying up here alone.

MARTY

thought so... hurry up... the
ghost might get you...

Hey Nona... look over there... is that a
door?

WINONA

Ya a door is not unusual
Marty.

MARTY

Nona... the door has no back to it
.. It's standing in the middle of
the Room.

WINONA

It's one of those trick doors.
Watch...

What in the heck... Marty. Look where the door opens too.

MARTY what is this?!

It looks like the desert... lets
check it out

WINONA fine... lets

go... but we are coming right
back.

MARTY yeah yeah... we
won't be long... let's go.

NARRATOR

As Marty and Winona enter the door... it slams behind them and disappears.

MARTY

NONA... the door is gone... we are trapped here!

WINONA

Looks like the only way were going is forward. And we have no idea where that leads.

NARRATOR

Marty and Winona were now stranded in an unknown place ...a desert... It's never ending as the eye can see.

MARTY

We don't even have supplies... no food or water... we are in serious trouble.

WINONA what are we going to do Marty?

MARTY I don't know Nona... i dont know.

WINONA

What is that over there? It looks like a group of people. And they are coming this way.

MARTY

Yeah... being that we are not from the area... lets be on guard... we dont know anything about them or this place.

DEMON GROUP LEADER

What do we have here? You art demons... but... that doesn't mean we can't take advantage of this little situation here right boys?

NARRATOR

What kind of situation have Marty and Winona gotten themselves into?

Production of Marty and Mars comes from SIZZ Studios.

Written by Tom Young.

**Episode 2 of Marty and Mars by
Thomas young 08/11/21**

NARRATOR

**WE LAST LEFT OFF WITH MARTY AND
WINONA FINDING THEIR WAY THROUGH A
DOOR IN AN ABANDONDED HOUSE
BASEMENT.
THEY ENTERED THE DOOR AND IT SENT
THEM TO A DESERT PLACE AND THE DOOR
DISAPEARED BEHIND THEM.**

DEMON LEADER

We saw you enter through that door... and it disappeared... looks like you have no way back... that means you have no food right? No weapons? Well that means you have no choice but to come with us... hahahahahaaha. Don't worry... we wont hurt you... too much ...?

MARTY

We didn't know coming through the door would send us here.

WINONA there isn't a way for you to send us back or tell us how?

DEMON LEADER

Oh... well that wouldn't be very fun for us. We don't want you leaving...
In fact... you now belong to us.

NARRATOR

**Marty and Winona were tied up and
put in the back of a caged dragged
by a rundown vehicle. Where are
they taking our 2 naïve travelers
to?**

DEMON LEADER

Throw them in the dungeon, we will decide what to do with them later.

MARTY

Nona... are you okay?

WINONA yeah. Just scared and don't know what we are going to do.

DEMON LEADER

You Boy... get up... our Lord wants to meet with you.

MARTY do I have a choice?

DEMON LEADER if you want to live... no human

NARRATOR

The demon Leader led Marty to the Demon Lord, leaving Winona behind. Entering the Room along the walls Skulls of random unknown creatures lined each side...

There had to be 100's of them lit bit a dim light of fire throughout the room.

DEMON LEADER

Sir... the human boy you have requested to see...

DEMON LORD

That is all Rami... you can go. I'd like to speak to the boy alone. .. So boy....What shall I call you?

MARTY uh... Marty... sir... my name is Marty.

DEMON LORD

Marty? Like that movie back to the future?

MARTY I hate that movie...

DEMON LORD

Why have you come here to this world
Marty?

MARTY

Well... me and my friend were
exploring an abandoned house and
found a door... leading here... and
it disappeared behind us. We didn't
mean to get trapped here.

DEMON LORD

You expect me to believe that you
don't plan to do something to us?
Or attempt to?

MARTY

I swear sir... we don't have any
reason to cause any problems.

DEMON LORD

Either way boy... you may never
leave now... it would compromise
our world... You have two
choices... Death or Assimilation.

MARTY

But you have to let us go... we
don't belong here

DEMON LORD

YOU DARE tell me what I have to do?
For that tongue... I could easily
sentence you to death.

MARTY

I apologize. For now we will stay
here... and adapt...but mark my
words... I will get home one day...
What is this place called anyway?

DEMON LORD

Why its MARS of course!

MARTY

MARS?! Are you telling me I am on
mars? And there is life here? And
I'm not suffocating to death right
now?

DEMON LORD that is

correct... we have kept our

existence secret for millions of years.

MARTY and what do I call you instead of Demon Lord?

DEMON LORD

Uh... well if you were able to pronounce my given name you would explode in flames instantly. Let me think.... the equivalent to my name in your language would be....Diablo...

MARTY Diablo?
That is too weird.

DIABLO
why is this weird?

MARTY no reason... no reason at all Sir diablo.

DEMON LORD

Starting tomorrow morning... you and your friend will be sent to the city to begin your assimilation into mars.

But do not forget... if you so much as hint that you are planning something... you will be killed.

WELCOME TO MARS... Marty

NARRATOR

Our two Travelers have found themselves trapped on mars seemingly forever... with the chance to learn the culture and live as citizens... how will they do with this new world? Find out next time we check in with Marty and Winona.

I Episode 3 Marty and Mars 08/11/21
by Thomas Young

NARRATOR

LAST WE LEFT OFF WITH MARTY AND WINONA, THEY WERE TAKEN BY FORCE AS PRISONERS. MARTY MET WITH THE DEMON LORD DIABLO AND HE WAS TOLD THAT HES ON MARS... AND... IS NEVER ALLOWED TO LEAVE OTHER WISE HE WILL BE KILLED.

DIABLO INFORMED MARTY HE COULD LEARN TO LIVE A NEW LIFE ON MARS. LETS CHECK IN WITH OUR TRAVELERS AND SEE HOW THEY ARE HOLDING UP.

MARTY Nona... I'm glad to see you are okay! I spoke to Diablo... The head dude in charge here... he said we are ON MARS! And since we walked through the door... we are never allowed to leave again... because we would give away their Existence... and he would have to kill us.

WINONA

We can't leave? Wait you're on a first name basis with the Ruler here? That's fun. We have to find a way home. I'm not staying here forever.

MARTY we have to play nice until we can figure out how to get off this planet Nona... don't cause any issues... I'm begging you. They are letting us live ...for now.

NARRATOR

As they were told... Marty and Winona were led to the city and began their journey into the local society.

WINONA why are all these people looking at us... it's like we are tonight's snack Marty.

MARTY well Nona they are all demons... most of them have never look at a human in the flesh. We have to be careful **WINONA**

I'll make sure to find something to turn into a weapon... there is no way I'm dying here without a fight.

ZIAGEL

You two must be Marty and Winona...the humans...who were stupid enough to go through a door they had no idea would lead them here...ha-ha. Let's get started on where you will be staying. There is a space of land right outside town not populated by anyone... the Lord suggested we give you ownership of this land to stay there because you wont be subject to the demons at night .. We like to get ... Crazy. You will have to fend for yourselves. I won't be here to help you.

We don't give handouts here. You have to find your own food. Clothing and make your own shelter. You can make stuff and bring it into town and try to sell it to the locals, trade and barter is the main system around here.

As being demons... we don't really have a police force... so don't get into a situation you can't get yourself out of. I don't know why I'm telling you this... you'll probably be dead by morning. Man I am hungry...care if I take a finger or toe?

WINONA well thanks for the vote of confidence Zia gel... so I'm allowed to make weapons and

defend myself? And no you cannot eat our fingers or toes. Creep.

ZIAGEL

That is correct... we would rather you defend yourself... makes it fun to kill you. Well that's all your getting from me... better get started on building shelter... once those sand storms come in .. You're done for without shelter... hahaha

MARTY

That was a lot to take in Nona. Were only teenagers...? I don't know how we are going to do this.

WINONA

It's going to be okay... 1st things first... lets get shelter figured out... look over there.. There is a bunch of junk; metal and stuff. Let's find stuff to use to make a hut or something. YAY ... decorating... my favorite (sarcasm)

MARTY

At least you still have a sense of humor right? ... Look this metal will work great for a foundation and walls. And should keep any sand out; and look here it's like a fabric cloth that's really thick. This should help keep us insulated.

NARRATOR

As the day went on Marty and Winona found discarded junk and supplies to make a Shelter with 2 Rooms... a bathroom and a kitchen area... though it was not the nicest...for now it would keep them warm and allow them security and shelter. We will check back in with them on the next episode of Marty and Mars to see what progress they have made.

NARRATOR

WHEN WE LAST LEFT OFF WITH MARTY AND WINONA... THEY WERE RELEASED FROM THE CUSTODY OF THE DEMON LORD DIABLO AND WERE SHOWING TO A PIECE OF LAND OUTSIDE TOWN WHERE THEY WERE GIVEN PROPERTY TO LIVE ON AND FEND FOR THEMSELVES. THEY SPENT THE NEXT DAY BUILDING THEIR SHELTER WITH DISCARDED JUNK. LET'S CHECK IN AND SEE WHERE OUR TRAVELERS ARE AT NOW.

MARTY

So let's go over what we have done so far Nona. 1st we build our shelter. Then I let you decorate it... worst decision ever. Did you really need to make creepy dolls?

WINONA

Hey now... id like to see you decorate a place with all this mars junk. Since I did the work... I'm going to name our land...hmmm how about Winona Way? And don't talk about my Dolls... they are like scarecrows.

MARTY

Not happening... nope... we could name it Marty Hut

WINONA

We... not happening... this is harder than I thought it would be. Hmm... I got it! Mar-Nona! I rock Oh yeah Uh Huh!

MARTY

I actually like that... Mar-Nona...sweet. From this point forward we shall live on the land called Mar-Nona... Over time we will update it and make it more secure... at least until we find our way home. I need to finish building the fence.

NARRATOR

Mar-Nona was born... with Space Junk
and in all its Anti Beauty. Next
our travelers...which we should
probably not call travelers
anymore... Minoans? Eh ill figure
it out, Must find food...they have
yet to discover the local
wildlife... or available food in
the area... this should be
interesting...

MARTY

Nona... we have to think about food
and stocking up for times we cannot
get out due to the sand storms. I'm
going to explore the area and see
what we can hunt or pick if there is
anything.

WINONA how about I look
for things to pick and you look for
things to hunt. We can get it done
faster before dark comes.

MARTY divide and
conquer... I like it.
Alright ill head out now.

NARRATOR

As Marty explored the area... he was
surprised to find that hidden behind
a mountain out of view was a forest
of not green... but Purple and light
colors ... nothing like he had ever
seen on earth. He heard what sounded
like mars version of Birds and
crickets... but the sounds were more
hoarse and frightening.

MARTY

I think I'll check it out but I'll
leave the picking to Nona... ill
check for wildlife...I hope Nona
finds this place if I don't get back
in time to tell her about it. I'm
going to slowly enter this... good

thing Nona carved a spear for me out of the junk we found.

What's that Noise? Crap... I better hide behind that bush and see what's coming.

NARRATOR

As Marty hid behind the bush a Very Large creature scuffled along with what seemed to be 6 legs...it was brown in color... Had 3 Eyes; and jagged teeth all the way around... it made a sound one moment that made it sound like a small animal... I'm sure to keep the prey confused. And at the next moment it was a deep sound that would scare the largest of monsters.

MARTY

I'm going to try to throw my spear at it ... (hurls spear at the head of the monster) Nailed it! Uh oh I think I just pissed it off. I'm getting out of here. (Running away) Crap its chasing me now! I don't want to die this way...

NARRATOR

Out of nowhere another spear comes and hits the creature right in the neck and it falls to the ground. Winona jumps out of one of the trees and starts laughing at Marty.

MARTY

Nona Omg! Thank you for saving my life.

WINONA

Well I knew you'd be dead if I really let you go on your own. And I was right. Look at the size of that thing... I killed it so I get to name it! Let me think... How about we call this Creature... Six- Ligger Monster Thingy...

MARTY

No Nona... I'm sure the locals have a name for it already... ill ask next time I'm in town... seriously... 6 legger monster thingy? Wow

MARTY

Let's find some stuff we can pick to eat, I just don't know how we are going to know if it's edible or not.

WINONA

I think it's time we just pick some and then take it to the locals and have to hopefully tell us what's safe.

MARTY

Nona, look over here, there is something that looks like berries. But they are white and have the seeds on the outside for some reason. Nona... what are you doing?

WINONA

I am taking what I can off this Creature that we killed. I don't want it to go to waste.

MARTY okay that makes sense. I'll just get to the gathering then while you do that.

WINONA

Yep... leave the heavy work to me...typical Marty.

MARTY Hey, I resent that statement!

WINONA I resent your existence.

MARTY

Back at you... Nona... The bugs here look double the size of earths and they are slimier.

WINONA

I'll just leave the slimy work to
you Marty.

MARTY

I'll put it under your pillow when
you sleep.

WINONA

what was that?

MARTY nothing Nona...

your hair looks nice today.

WINONA

That's what I thought.

NARRATOR

**WE WILL CEHCK BACK WITH MARTY AND
WINONA LATER. AND SEE IF THEY WERE
ABLE TO GATHER ENOUGH FOOD TO
SURVIVE.**

1 EPISODE 5 MARTY AND MARS 08/12/21 1 written by Thomas Young

NARRATOR

LAST WE CHECKED WITH MARTY AND WINONA THEY WERE LEARNING TO PICK FOOD AND HUNT. THEY CHECKED WITH THE LOCALS AND THEY FOUND OUT WHAT IS EDIBLE AND WHAT THE MONSTER WAS CALLED. LET'S CHECK IN NOW...

MARTY

Nona, the locals have informed to me that they call that creature we found a Lodovica. They say it's an extremely dangerous creature. Looks like we got lucky.

WINONA

I took all I could from the Lodovica and we made some blankets and pillows. I also got to make Curtains and rugs. We also have food stocked up. The Claws, teeth, and bones will be great to use for weapons and utensils.

NARRATOR

Night fell apron the planet. And Mar-
Nona was silent... outside the land
conflict was about to suddenly
bring the silence to a sudden stop.
Some of the locals have banded
together out of anger of the Demon
Lord
Diablo giving free land and trusting
Marty and Winona with so much
freedom.

MARTY Nona... wake up,
what was that noise?
Ill grab the weapons. Stay behind
me.

WINONA

I hear it too. Let's go out and
check it out. I just decorated this
place and we already have
intruders... just our luck

MARTY

Watch out! Nona! Let her go! I'll kill you all. We are not harming anyone... what did we do to you?

WINONA

Let me go! (Locals tied up Wynona)

LOCAL DEMON

We need to leave a Message that they are not welcomed here and it won't be tolerated.

I have an idea. Let's take one of his legs and leave him for the Lodovica to eat. Make sure to burn the house to the ground. Take any useful stuff. And make sure there is no way this leads back to us... we are doing this without the Demon lords permission.

NARRATOR

The Locals proceeded to cut off Marty's leg and Throw him in the forest to die. They then took Winona back to their city as a prisoner. As Marty lay injured near death, someone seems to be putting him in the back of a wagon and taking him.

MARTY

Where am I? (In and out of consciousness) why can't I move? My head is killing me... Nona where are you?! I'll try to stand up... Where is my leg?! Why is my leg missing? I can't feel my arm... I think it's broken... and why is there so much smoke everywhere? I need to calm down... what would Nona do? I can't keep my eyes open. I think I've lost too much blood. Is this how I die? On mars? My mom will never know what happened to me... I bet she is so worried right now.

NARRATOR

**Marty wakes up with his leg bandaged
and in a place he does not know.**

MARTY

Where am I? Where is my leg?!?!?
Where is Nona? Am I dead? I have to
get out of here. Nona needs me.
Where are my clothes?

JUCTOOB

Calm down, I'm not going to hurt
you. My name is Jacob. I'm not demon
don't worry. I'm a human just like
you. And son when I found you... you
were alone... and I'm sorry to
say... your home was burned down.
There is nothing left. And your leg
was being eaten by the Lodovica.

MARTY

Human? I thought me and Nona were
the first humans on this planet.
Something does add up here. I bet
you are demon... don't touch me...
I'll kill you.

JUCTOOB

They want you to believe that, but
for many years humans have been
coming through the door, we are at
war with the Demons. They have
pushed us back to the remote parts
of the Planet... and we have gotten
pretty good at staying out of their
sight. We have adapted on mars and
created a new home for ourselves and
raised new generations of
humans...it's not so bad.

MARTY

That just takes this to a whole
different level. I had a feeling
that the Demon lord Diablo was lying
to us. Well now I'm pretty much open
prey with this missing leg. And they
took Winona. Just kill me
now...Don't let me because any more
stress to you.

JUCTOOB

Well I thought of that while you were out for 3 weeks. I crafted something that might help... It's a Metal Leg that should return your level of movement back to where it was. Also your arm was broken, I have designed a device that will allow extra support and it has an AI system integrated into it. I will take you to meet the rest of the town once you get back on your feet. We can't save anybody until we are 100% Marty.

MARTY

(Puts leg on) this feels weird but I will master this... we need to get Nona back. And 3 Weeks?! It felt like a couple hours. I hope she is still alive.

JUCTOOB

We have to focus on getting you used to that new leg... and making sure you don't get an infection from the wounds. It's a miracle you survived at all, so take it easy and let your body heal the right way Marty. Plus I made that leg and I don't want my hard work to go to waste.

NARRATOR

Marty and Wynona have been split up and Marty has been injured... with the time that has passed... what has happened? Find out next time on Marty and Mars.

1 EPISODE 6 MARTY AND MARS BY THOMAS YOUNG 08/13/21

1

NARRATOR

Last we left off Marty had been attacked and left for dead and taken in and saved by humans and Winona had been taken hostage. Let's check in and see what is going on since last time.

MARTY

I'm feeling a lot better, can we meet the rest of the other people so we can get a plan together to get Winona back? And I think we've figured this new place pretty good. It's still sore because of the wound but I can tough it out.

JUCTOOB

Marty... must tell you... the locals here are not the type to trust easily. Don't expect them to be nice and stay. There are some already in the town that are calling you a demon... and wanting you locked up. So please be on alert. And don't say things that will make you stand out.

MARTY Yes I got my leg... so weird to say. Don't worry this isn't the first time I've dealt with people like this. How far is it to the town junction?

JUCTOOB

It's about 5 miles in that direction

MARTY

5 miles? Are you trying to kill me? Alright let's get going...I want to get this over with.

JUCTOOB

Everyone! Gather around... this is Marty... he's human... he came through the door, with his friend Winona. He is the one I found a few weeks back and made the leg for. We didn't think he was going to make it past the 1st night.

HUMAN GROUP

Jacob, you know that the only way to come through the door is if a demon activates the door. Hess a demon! Why are you helping him?

MARTY

Wait... what? Someone purposely activated the door with the intention of me coming through?

JUCTOOB

Marty, I should have told you... in order to activate the door... it has to be opened using either the blood of the demon... or the human it wants to enter with it. So that means it had to be planned.

MARTY

But who would want to do that? I don't know any demons, I don't cause issues on my planet. That brings up a whole new question... who knew me and who wanted me here?

HUMAN GROUP

That's the question. How do we know he's human Jacob... maybe he's lying... do the Cut Jacob do the cut. Do the cut... do the cut...

JUCTOOB

Quiet... Ugh... Marty... the only way they are going to trust that you are human is if we cut your skin and if it doesn't steam and seal... you are human...not a demon.

MARTY

You are not cutting me... Jacob you stay away from me.

JUCKTOOB we have to

Marty... or they are going to kill you if you don't.

MARTY

Okay Okay fine...give me the Knife

NARRATOR

Marty took the Knife and started to cut his hand... and his hand started

**to steam...The shock of the crowd
and Jacob filled the air.**

MARTY

No...no.no... this can't be right...
I'm Human... IM human...

JUCTOOB

Marty let me see... it's not healing
instantly... but its smoking... WE
ALL know what this means... Hess
half demon...half human.

HUMAN GROUP Kill him!

Help here to kill him all!
Kill him Kill him kill him!

JUCTOOB

No... we will not kill him....he was
not aware he was half demon... but
it means his father is demon. Marty
we are going to ask you one
question... based on your answer it
will determine what happens next...

Are you going to help us bring the
demons down and get Winona back or
are you going to join them and
attack humans?

MARTY

What kind of question is that? Of
course I'm going to take the demons
down. I wasn't raised in this world.
I'm more human than demon...

JUCTOOB

Than it is settled... Marty will not
be touched by anyone... if this...
The person will be held responsible.

MARTY

So now that we got this out of the
way... who has my Weapon I was found
with? It's a long Weapon made out of
junk.

JUCTOOB I have the
sword spear you were found with.
I'll go get it for you.

NARRATOR

Well that was a revelation ... that

Marty is half demon... and that his father is full demon. We will have to keep an eye on this and check back... but for now let's check back in with Winona... it's been a while since we have.

WINONA

Let me out of here! You've kept me in here 3 weeks! I haven't showered and I'm starving. You know it's not right to keep a girl locked up for this long.

DEMON LEADER

Shut up girl... before I cut your tongue out and a... (Snarls) the only reason we are keeping you alive is as insurance... in case someone comes after you...so shut up.

WINONA

No one is coming for me... you killed Marty... you cut his damn leg off and left him for dead. So I'm all alone... NO ONE is coming. Just kill me now. I'll even put my head out so you can cut it easier.

DEMON LEADER

I said shut up girl. You are worse than my Wife. And that is saying something.

WINONA

I'm only shutting up because your breathe smells so bad I might die anyway. I don't know how your wife can stand you.

DEMON LEADER

My breathe doesn't smell... (Smells hand) and my wife loves me...

WINONA Do you even know what love is?

DEMON LEADER

Shut up girl! I won't say it again... I thought my breathe smelled bad... so stop talking.

NARRATOR

We will check back in with Winona next time and see what has been happening to her for the last 3 weeks. And Marty is getting ready to find the demons... what will he do

1 INT. EPISODE 7 MARTY AND MARS BY THOMAS YOUNG -

1

08/13/21

NARRATOR

We last left off with Marty and Mars confirming that Winona is still alive... under the impression that Marty is dead while in captivity. We also learned that Marty is half demon

MARTY

So ... I don't know why I didn't ask about this sooner... but being half demon... do I have some sort of powers. Can I shoot fire out of my hands... or bring lightning out of the sky? Oxo Maybe I can fly or have super strength!

JUCTOOB

Ash! I was waiting for this question Marty, simple answer yes... but... to what extent we don't know... because half demons are not very common.

The last half demon disappeared 10 years ago. Maybe I can look in the Library of Demonology to see if there is anything that could help determine what powers you may have.

MARTY

There is a Library of Demonology?!

JUCTOOB

Well yeah, we record everything we can about the demons. We have to be prepared in any situation. And it also has as much lineage as possible on the demon family trees.

MARTY

Makes sense... yeah sorry it was a dumb question ... hey do you guys have a Starbucks? I would kill for some iced coffee right about now.

JUCTOOB

What's a Star Bucks? And what is Iced Coffee?

MARTY

Never mind Jacob...
Never mind. Just know that is a magical drink that makes you have tons of energy and then you crash.

JUCTOOB

Why would I want to drink something that makes me crash.... it sounds like a dangerous drink Marty. You should stay away from such things.

NARRATOR

While Marty and Jacob check out the library of Demonology... Let's check in with Winona...

WINONA

Finally you give me food. Taste like crap but it at least is edible. And are those legs? Wee gross. I think it just looked at me.

DEMON LEADER

Do we go through this every day? Shut up... girl... You are the most annoying creature I have ever come across. If you do not halt this excessive talking at once... I will make sure that you lose your tongue. I'm sure it tastes better than keeping it in your mouth girl.

WINONA

At this point I have no fear of you. You're not going to do anything to me. I'm either going to die by your hand or by eating this nasty food.

I demand to speak to the Demon Lord Diablo... if he knew you were keeping me hostage ... I don't think it would be a good thing. You know what? Actually I think you are afraid of what is going to happen to you.... this should be interesting to see what happens.

DEMON LEADER

No one is going to find us anytime soon. Good luck with that. The demon Lord couldn't defeat me even if he tried... I am better than him... I should be the Demon lord... not him...

WINONA

You already killed Marty... I got nothing left to lose. How about you let me out and we can fight one on one. Heck I'll take all of you on... and I'll show you karate... an ancient art trained to me through something called YouTube...

DEMON LEADER You wouldn't last 2 minutes girl. This you-tube that you speak of sounds insignificant in comparison to my demon magic. You make me laugh Girl of Karate.

NARRATOR

Well things are heating with Winona trying to get the demons to let her fight... She seems to be up to something. Let's get back to the library with Marty and Jacob.

JACOB

Hahn here we go... The Book of Demonic Magic... careful... this book is very old Marty. And if you speak the words out loud it might summon a demon... and we don't need that around here.

MARTY

Look junction, this part of the book is for half demons... It says powers may very if at all. And there is no set way to tell what kind of powers I'd have. Dang I can't fly or cause lightning. That sucks.

It does say some of them I might get... Mind reading... and Extra

Strength. Wind... It does say I can produce electricity from my hands.

I also have a given right to summon demons and lords from the underworld... whatever that means. I'm going to keep reading this.

JUCTOOB

This is interesting... I'll let you read on this...I'm going to check to see if there is any more information that might be useful to us. And Marty... like I said... do not read the book out loud...

MARTY

Yes I heard you ... I'm not going to read it out loud... just leave already.

JUCTOOB

Maybe I can find books on if there actually is a way to open the door from this side and send them back... and maybe take all of us humans back with it. But I would not even know where to start looking. There is books on... demon gods, demon magic, demon entertainment... demon history... I'll have to keep looking.

MARTY wow would you look at this... it says the demon lord diablo had a wife many years ago who went insane and had to be locked away for trying to over throw his kingdom. It also says that he had many children... but no one knows a lot of information or its not been released who or where those children are. It also says she is locked away deep in the dungeon of the demon lords house. that's interesting.. at least she is locked up.

NARRATOR

We will Check back with Marty and Winona next time..to see if he finds any other information out. and we

**will check with Winona on her
request for a fight.**

1 EPISODE 8 MARTY AND MARS BY THOMAS YOUNG

08/16/21

NARRATOR

LAST WE CHECKED IN WITH MARTY AND WINONA, MARTY WAS IN THE LIBRARY OF BOOKS FINDING OUT HIS HISTORY AND THAT HE CAN INFAC T WIELD SOME SORT OF POWERS;AND WINONA WHILE STILL BEING HELD CAPTIVE HAS REQUESTED A FIGHT..WITH THE GUARDS.. LETS CHECK IN WITH MARTY AND JUCTOOB AND SEE WHERE THEY ARE NOW.

JUCTOOB

Marty come here I w found something interesting

MARTY

What is it juctoob? I'm trying to find more out about the powers.

JUCTOOB

We never noticed this, the Demon Lord Diablo had a queen once upon a time called Haidee.. she was said to be a Vicious and Vile queen.. even worse than the king himself. From what it says, he was so out of control the king had to lock her away in the dungeon.

MARTY

I found that too, i was just going to tell you. He also had many children and no one knows where they are even still to this day.

JUCTOOB

I dont know if that is a good thing or a bad thing. Also Marty i found some information on family you may have on mars.. do you want to see it now or wait until later.

MARTY

I have a bad feeling about this information Jucky Juck. I Think I'm going to wait on the possibility of having any family on Mars. I want to know who they are but i know it will

be a extremely awkward and potentially dangerous situation.

JUCTOOB

Jucky Juck? and yes i do agree waiting might be the best option.

MARTY

Yeah, figured since we are friends now id give you a cooler nick name. its an earth thing that we do. shows that you are friends .

JUCTOOB

Friends? what is a friend?

MARTY

You know, someone who has your back and you have theirs, someone you can hang out with and make your own will not by blood.

JUCTOOB

Ive never had a friend before. I am honored Marty of Earth to be claimed as a friend of yours. what do friends do? do we share food? or share wives?

MARTY chill out Jucky its all good lets let the others know what we found .

NARRATOR

CHECKING BACK IN WITH WINONA, JUST AS SHE IS WAITING FOR A RESPONSE FOR THE FIGHT SHE DEMANDS WITH THE GUARDS A LOUD EXPLOSION AND RUNNING DEMONS CAN BE HEARD. AND THEN IMIDIATE SILENCE. ...OUT OF NOWHERE A PUFF A BLACK SMOKE AND A FIGURE STANDING IN THE MIDDLE OF EVERYTHING GOING ON.. A WOMAN... WITH A PRESENCE SO POWERFUL..

HAIDEE

It has been 10 Thousand years! 10 Thousand... YEARS! I have been locked in the Dungeon....Do any of you have any idea how insane that makes a demon? If it wasn't for that Gullible Guard who took my promise

of riches to let me out ... Id still be stuck in there. Where is my Husband... the Demon Lord Diablo?

Well is anyone going to answer me or just stare at me In utter amazement of how i haven't aged a day?

WINONA

So much for the fight, I almost fell asleep with you talking so much. So are you going to let me out of here or..

HAIDEE

Who are you ?! Just my luck, a snack for waking up from a long nap.

WINONA

I am Winona, I came here from earth by a door with my friend Marty, who was killed by your men 4 weeks ago.

HAIDEE

Oh Honey, these are not my men... my men would make these demons run in fear. I am in need of a servant while I introduce myself to Mars... you'll do well.

NARRATOR

Just Then a spirit appears out of nowhere and possess Winona... it is the spirit of Haidee's Right hand Demon... who was killed many years ago... This Demon that possess Winona now is called Mona...

HAIDEE

Ash yes... Mona... it has been May years... I am sorry I was not there to stop your death at the hands of my husband Diablo... How do you feel my friend?

MOXA

Thank you Hailee... I feel the fires of Hell burn boring these days... so being set free is quiet the different adventure. And this Body ... It's solo...solo... weak... not my own body... but it will have to do...for nowwww.

WINONA

Get out of my body! Now! This is so weird... I can think hear and see but I cannot control anything...

MOXA

No use fighting it Winona... you won't win... just sit back and enjoy the ride...

WINONA

I won't let you do this! I will gain control back! I swear to you!

MOXA Good luck with that dear... Hahahahaha.

HAIDEE

Now Moxa.. lets find where my darling husband is and take total control of Mars.. When i find him.. I'm going to do the same thing he did to me for 10 thousand years!

NARRATOR

WHAT A SUDDEN TURN OF EVENTS! THE QUEEN OF THE DEMONS OF MARS HAS BEEN RELEASED FROM HER IMPRISONMENT AND WINONA HAS BEEN POSSED BY HER RIGHT HAND DEMON MOXA.. MARTY HAS NO IDEA WHAT IS COMING HIS WAY.

WE LAST LEFT OFF 5 YEARS AGO. THE LAST 5 YEARS HAVE ACTUALLY BEEN LESS EVENTFUL THAN ONE WOULD ASSUME.. THE DEMON QUEEN HAS BEEN SEARCHING FOR THE DEMO LORD DIABLO FOR ALL THIS TIME.. BUT USING HER FORCES AND STILL HAS MOXA BY HER SIDE POSSESING WINONA.

JUCTOOB

Marty.. you have come so far in the last 5 years training your powers and gaining the trust of the humans in our society.. But as you know.. we have heard rumors ..and I feel its time that we go and confirm these to be true or not .

MARTY

Jucky.. I dont even know if Winona is even still alive... it has been so long that I'm sure they killed her by now. But i do agree the rumors are getting to hard to ignore.

JUCTOOB

One of the rumors is that the Demon Queen Haidee that we read about in those books has been released and an army is being built by her. Our location has always been secure .. but i feel that wont be good enough for much longer.

MARTY

We have long feared this Jucky.. that is why i have been training and creating the best this world has to offer to take on whatever comes this way. Mars has become my home ..and i will not let it be taken over by a Demon queen with a complex issue. While i dont like the Demon Lord Diablo ..he still is a better fit than the queen would be whats that old man.. the enemy of my enemy is my friend?

JUCTOOB

Marty I dont think that would apply in this situation but i get the sentiment. Would you like me to gather the Team?

MARTY

Yes! lets get them together and we will see where we stand.

NARRATOR

Jucktoob did as he promised and gathered the Team of 4 other people hand picked by Marty. We have:

Wadyn and Radyn, who are twins. they have trained their whole lives, specializing in hand to hand combat and parkour. We then have Myla and Deva. Myla is a fierce woman who was

raised by Jucktoob since she was
born..her parents were killed by
demons.. she sometimes goes off
without thinking and has a
temper..but dont let her fool you ..
she is strong . Our last is Deva..
She has amazing knowledge of Mars and
is great a planning and medical .

NARRATOR

Our next episode will the team finally come face to face with what they have been training for their whole lives? And where is vast Winona?

1 EPISODE 9 MARTY AND MARS BY THOMAS YOUNG

1

NARRATOR

We last left on with Marty summoning the team to deal with the rumors of the demon queen haidee returning. Lets check in.

HAIDEE

Moxa.. i want to cause chaos .. Im bored..

MOXA

Haidee you are always bored.. have you gotten through all the human punching bags already? i just rescued the last group we had.

HAIDEE

My ha.. what am i saying? i loved every minute of it.. But I want something else... Moxa.. i think its time to proceed with taking over. Whether i have my Husband or not... We don't really need him at this point.

MOXA I'll give the order to get prepared. This is finally happening.

WINONA

We can't do this! the death of people and creatures..it's too much.

MOXA

Shut up Nona... your going to get us in trouble... we talked about this... obviously i dont want to do this... Since vie taken over your body vie learned so much and want to be a good person Nona... but we have to play this smart or we wont get out of this alive.

WINONA

I know...it just gets my blood boiling... we need to act now. And thank you for letting me show you the good in people.

HAIDEE

Why are you just standing there
staring at me...? It's weird Mona...

MOXA My fault Hailee...

ill be on my way.

NARRATOR

**CHECKING BACK WITH MARTY AND THE
TEAM... THEY HAVE GOTTEN WORD FROM A
SCOUT THAT THERE IS TROUBLE HEADING
THIS WAY.**

MARTY

I want to take this time to
open up to you guys and tell me and
Jucktoob what you are feeling about
what's going on about to happen.

MYLA

I have something to say... and some
of you are not going to like what i
have to say... and quiet for now i
dont care... The demons killed my
parents... and made me live this
life of anger and what ifs... well
after today... there are no more
what ifs for me... if it comes down to
me saving one of you and killing a
demon... sorry but... it sorry I'm
going to let you die.

JUCKTOOB Myla... That is

enough! I will not have you putting
doubt in this teams head on if
you'll help or not. I understand
that this is hard for you...but it
is hard for everyone here.

MYLA

Jucktoob.. I am sorry. I know it was
out of line... i just was trying to
be honest with the rest of the team.
I'm sure they would let me die too.

MARTY

Okay okay! I think that's enough sharing for now... ive just been informed that the enemy is close. Let's do this for the humans of mars and for ourselves!

NARRATOR

THE TEAM GATHERED THEIR WEAPONS AND BEGAN TO MOVE TOWARDS THE IMPENDING FIGHT AHEAD. MEANWHILE ON THE SIDE OF THE DEMON QUEEN HAIDEE AND MOXA...THEY WERE ALREADY CLOSE AND READY TO KILL.

MOXA

HAIDEE WE ARE JUST OVER THE HILL FROM THE ENEMY ... WHAT DO YOU WANT TO DO.?

HAIDEE let's GET GOING... IT'S TIME TO MAKE OUR PRESENSE KNOWN!

WINONA

MOXA... IF YOU ARE GOING TO DO ANYTHING NOW HAS TO BE THE TIME.

MOXA

DONT WORRY... I HAVE A PLAN... JUST TRUST ME.

WINONA well it better work. Or I won't be able to forgive myself.

MOXA I know Nona... were gonna fix this.

NARRATOR

WHAT HAIDEE DID NOT KNOW WAS THAT MOXA HAD FOUND THE DEMON LORD AND TOLD HIM WHAT WAS GOING ON...? AND HE WAS CLOSER THAN EXPECTED... AND HAIDEE WAS ABOUT TO FIND OUT THE HARD WAY... NOT TO MESS WITH DIABLO.

MARTY

THERE THEY ARE! ILL USE MY POWER OF

WIND TO HOLD THEM BACK UNTIL YOU
GUYS GET THE UPPERHAND.

WINONA

MARTY?! HOW IS THIS POSSIBLE YOU'RE
NOT DEAD?

MARTY

OMG WINONA... i thought you were
dead too! Why are you helping the
demon queen?

WINONA

I'm not willingly helping... long
story short... i was posed by the
queen's right hand demon and have
been for the past 5 years...

MARTY

SAY WHAT NOW?

MOXA

Marty I'm Mona... we really dont
have the time to chat right now...
kinda in the middle of a battle...
Watch out sword coming at your head.

MARTY

Thank you! Almost lost my head
there...you watch out...Fireball
coming in hot...

WINONA

Who has fireballs?!

MYLA

My bad... you must be Wynona... I'm
Myla... I'm a part of this little
shin dig... Marty... use your
wind...
Arrows coming right at us.

MARTY

(Blowing wind) there we go... thanks
for that Myla.

JUCTOOB

Can we all do this later... Wait a
minute... what is that...

HAIDEE

Yes yes... wait... that's not a good thing... it can't be...

DIABLO

Hailee! This must stop now. I have stood by long enough and watched you destroy everything in your path... I am the demon king... and i will not stand for this... But I must admit...
I didn't get here all on my own...

MOXA

Heywood Diabloooo... see you got my message. I know we have had our differences in the past... but I just can't sit by and watch anymore...

My time back with Nona have really opened my eyes to how truly evil Hailee is.

DIABLO

I understand.... for this I will spare your life... and Wynona's as she is the vessel you inhabit.

WINONA

Oh thanks... glad...I get to um... live... i guess.

HAIDEE how could you do this to me Mona... i brought you back and gave you purpose. You'll pay for this.

MOXA

Oh and one last thing Hailee... i didnt just tell Diablo what was happening... i also placed something in your pocket... (Snaps fingers)

NARRATOR

Just at that moment a Loud Sound was heard and a cage appeared out of nowhere trapping the demon queen Hailee.

MOXA This time you won't get out so easy.

MARTY

I did not expect this kind of anti-climactic... if you ask me.

MYLA shut up Marty... he might choose to kill us still...

DIABLO Marty... i been a long time...

MARTY That

it has...Diablo...

DIABLO

I heard what my men did to you all those years ago... I just want you to know I did not sanction that. And those men have been apparently killed by halide. What we do need to do is discuss what is going to happen from here...i think i have an idea... that benefits the both of us.

1 EPISODE 10 MARTY AND MARS BY THOMAS YOUNG 08/17/21 SEASON 1 1
FINALE

NARRATOR

LAST TIME WE CHECKED IN WITH MARTY AND MARS... THE WAR BETWEEN DEMONS AND HUMANS WAS AT A ALL TIME HIGH. WITH THE SUDDEN RETURN OF DIABLO AND THE SKILLS OF MOXA TO TRICK THE DEMON QUEEN INTO IMPRISONMENT... WE LEARNED THAT DIABLO HAD AN OFFER FOR MARTY... LET'S CHECK IN TO SEE WHAT HAPPENS NEXT.

DIABLO

MARTY WE HAVE MUCH TO DISCUSS. FIRST AND FOREMOST... DONT GET THIS TENSED...I DONT WANT YOU ... AND IF IT COMES TO THAT I WANT TOWARDS THE FUTURE ID KILL YOU WHERE YOU STAND.

MARTY

Well that seems a little straight forward... but point taken. What is it that we need to talk about?

DIABLO

As you might have guessed, thousands of demons that were once loyal to me turned their backs on me and followed the demon queen half...

MARTY

Figured that part out. What does that have to do with me?

DIABLO

Hush Boy. Your skills are good... i won't doubt that...but...i can't just let you go free... that would look bad on me as Demon lord... so I am proposing an arrangement in sorts.

MARTY

I'm listening...

DIABLO

Those demons that followed Hailee scattered and ran to all different parts of the planet... and quite

frankly I don't want to get my hands dirty... so i want you to take yourself and team across this planet searching and hunting down each and every one of these demons and killing them.

MARTY

I don't know about that Diablo. That seems like a lot of work.

DIABLO

It's either that. Or ill feed you to the demons that stayed by my side.

MARTY

Okay... but can you agree to provide us with resources and anything we need to accomplish this?

DIABLO

can agree to that.

MARTY and what happens

when they are all gone?

DIABLO

I'll consider it a way to gain your freedom. For all of you.

WINONA

Sir Diablo... I dont mean to interupt...

DIABLO

What is it?

WINONA

I still am sharing a body with Mona... is there anyway... you can create a new body for her?

DIABLO

I guess that wouldn't be out of the question.

NARRATOR

Diablo then waived his hand and a new body much like her own body from many years ago appeared... and finally Winona was free of sharing her body.

WINONA

I'm not going to lie...I'm gonna Miss Moxa.

MOXA

Don't you worry Nona... im not going anywhere... as long as Marty is okay with it... im going with you guys to hunt these demons down... i need to repay my debt.

MARTY

If Nona can vouch for you... your good by me Moxa...Everyone deserves a chance to prove they have changed. Oh and Nona ... Our base has been setup... and you'll never guess what

WINONA

No... say... it's still there?

MARTY

Yep... Mar-Nona... and it's amazing. We decided once we were going to be a part of the war that we didn't want the civilians in harm's way so we left the city of humans and re built Mar-Nona.

WINONA

Kind of weird huh it comes full circle Marty. I'm so glad you can't die... and by the way... nice hardware for the missing leg.

MARTY

Hey, don't judge... Juch's built it special for me... and it's kept me strong. At least I didn't get possessed by a demon ha-ha

MOXA Hey now... im still right here.

WINONA

We know Mona... better get used to it haha. Let's head back to Mar-Nona and get them started on finding these rogue demons.

MARTY

Is that what we are calling them now? Rogue demons?

MOXA

Sounds right to me. Either way... a rogue demon... is a dead demon.

NARRATOR

The Group now known as the Mar-Nona people headed back to their homeland of Mar-Nona... to figure out their next step... we can't forget that Demons are Demons... and they are not to be taken lightly... this is going to be a dangerous undertaking by them.

MARTY

I survived... that's a plus... and I found out my best friend is alive still... and she wasn't aged a bit.

WINONA

Marty... dont be weird...

MARTY

That's what I do Nona... I am the definition of weird. Now since the Diablo never gave us a time frame on when we had to catch these rogue demons... what do you guys say we take some time off... to regroup and do this right...

MOXA

I'm not complaining on that one... I got to get used to this new body... I dont remember what it's like having my own body.

WINONA Me

either...maxi... me either

MOXA

Hey now... you started to enjoy the company with you all the time. Don't lie.

WINONA I

plead the 5th maxi.

MOXA what does
pleading the 5th mean?

WINONA
Nothing Mona... nothing haha

MARTY leave the poor
demon lady alone Nona... she
might get angry.

MOXA ill singe your
hair off you pirate looking human.

WINONA do
it! Do it! Do it!

MARTY don't encourage
her Nona. She might give into peer
pressure easier than we know.

WINONA What's going
to happen to Hail

MOXA
I imagine she will be locked back up
and tortured... for maybe another 10
thousand years?

MARTY I kind of
feel bad for her.

WINONA
Oh no...No...no... We are not doing
that Marty... you will not rescue
her... forget it... not happening.

MARTY I don't say
rescue her... yet

MOXA we are not talking
about this right now...

MARTY wow already
gaining up on me... you fit right
in Moxa.

JUCTOOB
Sorry for the interruption, but
there is a young lady that just
showed up claiming she is your
younger sister Marty...

MARTY I don't have a
younger sister... and did you
forget we are on Mars...

JUCTOOB

Did you forget you are half demon?
From mars...

MARTY

Oh Crap!
