# OUR VALUABLE CLIENTS

شركة موسى عامر الحفظي للمقاولات

Mousa Amer Alhifthi Contracting Co.

## ❖ Introduction:

**Elaf-Alhifthi Engineering** with its inception in 2008, underlying focus is on the creation & incubation of growth business ventures.

The combination of Elaf Alhifthi strong management team's expertise of several decades of successfully delivering industrial projects and group's synergy is the essence to reach par excellence in its performance; committed to serve the all-industrial sectors (Oil & Gas, Petrochemical, Fertilizer, Power & allied process industry) in Saudi Arabia.

Built on strong ethical values, quality and entrepreneurial spirit, we are ready to undertake any challenge and niche emerging opportunity on the horizon while maintaining Highest Safety & Quality.

AHE is a progressive company and provides one windows solution i.e., Engineering, Procurement and Construction of Mechanical (Storage Tanks, Vessels & Pipe Spooling) & Electrical – also has very effective management & business processes tools, equipment & machinery for addressing all types of Electro-mechanical General Construction and Plant Maintenance, Turnarounds & Retrofit needs.

Elaf-Alhifthi has two well equipped production facilities which are located at Hay Al Jawhara Jazan Road Jeddah, KSA.

## ❖ CEO's Message

- ❖ From the beginning, Elaf-Alhifthi has been committed to support the communities in which our employees work and live. At the heart of Elaf-Alhifthi success is our commitment to make our Clients successful. Our Clients include many of the world's leading industrial, consumer and automotive companies. We begin by understanding our Clients' business needs and product application requirements of the end users of our Clients' products. Then we design and deliver innovative motion solutions that help our Clients to differentiate their products in the marketplace. Elaf-Alhifthi is all about creating and delivering value - and growth is the primary measure to this goal.

## ❖ A solid network

- ❖ Decade operating at the cutting edge of engineering technology have provided Elaf-Alhifthi with the experience and expertise which today enables the company to deal with projects of all types and virtually any size or scale. Quality, ingenuity and reliability form the core of Elaf-Alhifthi's operations, coupled with a high level of professionalism and first-class service.
