The taste is distinct with intense cherry sweetness.	17%
Kirsebaervin Late Bottled 6/500ml	Late Bottled' has been stored in steel vats for a period of 18 months prior to bottling – hence the name – to produce a rounder, fuller wine that retains its original fruitness. 10% of the wine has matured in 225 and 400 litre oak casks – a process which adds delicate nuances of chokolade, coffee and fine tannins.
