Chapter Directors

Greetings Chapter "L",

This is the last newsletter of the year and what a year it has been. We have had our ups and downs, but we have prevailed as a Chapter.

The year started out with my taking the reins, as the Chapter Director, from Zach and Angie Bon. Those were some tough shoes to fill. They had done a marvelous job. Thank you for the tutelage and assistance during the transition.

We enjoyed some rides during the first couple of months then were hit with the ugliness of the Covid-19 pandemic. This unfortunately impacted our Chapter, our riding, and our socialization, but we were able to get in some rides and resume our Gatherings. After two months, we lost our Gathering facility, but we were able to find a new (old) facility to hold our Gatherings. The Chapter used to meet at Zino's Pizza before outgrowing the facility and moving to Pop's Diner. Zino's and the management are happy to have us back and look forward to serving us.

What is in store for the coming New Year? Hopefully, the Food and Drug Administration will approve a vaccine for the Covid, and we can defeat this nasty pandemic. Listed below are the coming events for 2021.

- a. We will continue to have rides to new and exciting places.
- b. In May we will have an event to raise funds for the Chapter. Details to follow at the January Gathering.
- c. The District will be putting on Wingless Weekend on February 26-27, "Cruising into 2021".
- d. The District will be hosting an Operations and planning meeting February 12-13 in Charlottesville. It is open to all Members.
- e. Rally in the Valley will be in Lynchburg again on October 14-16.
- f. We will be holding training classes very soon to keep up with our training, to refresh everyone's memories and educate our new Members.

As you can see, we will have a busy year. We look forward to seeing everyone as your time permits. Join us when you can and continue the camaraderie of your friends and the Chapter.

In closing, I would like to thank everyone for your support of the Chapter and the Team this past year. Lorrie and I would like to wish you a very Merry Christmas and a Happy and Prosperous New Year.

Merry Christmas from the District Team

As the year comes to an end, we are fortunate to find blessings to count and reasons to celebrate. The first blessing on the list is that the year is coming to an end! We are all about meeting challenges head on, but this past year was a bit more than your run-of-the-mill challenge.

It is important to remember that 'normal' is going to return. To our advantage, we can redefine what normal looks like. When we come to a pause, it gives us time to rethink about where we have been and where we want to be in the new year.

That starts with taking stock of each Chapter's profile, defining what kind of Chapter it is; riding Chapter or Social Chapter or a bit of both. Do you plan rides only during the week eliminating any of the Members who still work from joining you? Are all your rides hard, fast, and twisty, not appetizing to new or inexperienced or more conservative riders? Is the social part only about going out for a meal? Do you gather for card or board game night? What about sporting events or picnics with extended family invited including the grandkids.

Where do you get your ideas for rides and events? Does the planning, at the beginning of the year, involve the whole Chapter? We know what happens when we ask Members at a Gathering what they would like to do.... silence. Make planning deliberate. Make it a definite meeting, casual with dessert and coffee, maybe. Give Members time beforehand to make a list of restaurants or rides they want to do. Remind them that they do not have to lead the ride if they do not want to, just give you the information.

Hey Members! You like these ideas? Offer to help and get involved. After all, it is your Chapter. The Chapter Team needs you and wants to do what is best for you.

The last year was highlighted by an OPS (operations and planning) meeting with over 75 in attendance. It was wonderful to be able to recognize the Chapter Teams' accomplishments and welcome new Leaders. Come join us in Charlottesville in February.

District

Wingless, the first in years, was so much fun. I will keep my promise that the baby theme will not be reused for a while. "Cruising into 2021 Aboard the SS Wingless" will promise to be a cannot miss event. Register soon!

During this year we added several new Members to the District and Chapter Teams, an incredibly positive impact on the District, overall. It is our plan to continue filling in the blanks, to continue adding to the Teams with Members that will bring new energy and fresh ideas. Hope you might consider joining a Team.

Personally, Dan and I welcomed two great grand babies to the family. Trust me, we have pictures. Also, I was appointed to the position of Director of the GWRRA University. I am thrilled and honored to be trusted with this huge responsibility. Dan and I will continue to oversee the Virginia District with the understanding that we will seek out Members that will step up to assist and know that current Team Members are willing to take on some new responsibilities. You trusted us with the District and were patient and kind to us. We could not simply walk away.

With that, we again thank you for having faith in us and look forward to a GRAND 2021.

Happiest of Holidays and Happy New Year.

Our Mission Statement: RIDE & GROW

Respect all motorcycle riders and motorists

Inspire members to participate in the Levels Program.

Dedicated towards providing a family atmosphere so everyone has fun.

Educate our members about new innovations regarding riding, safety, and about GWRRA.

&

Give back to the community, resulting in a positive image of motorcyclists.

Relax, and enjoy the ride!

Offer assistance and encourage participation by all members.

Work with members by assisting them in achieving their goals.

So, what are we really saying...

We don't discriminate; all types of motorcycles are welcome. If your friends are looking for a group to ride with, that believes in and practices safety, we are that group. Respect drivers by being courteous with our lights and riding style.

We want all our members to participate in the Rider Education (Levels) program. The Levels Program allows members to advance from Level 1 (Committed to Safety) to Level 4 (Safety By Enhanced Commitment and Preparedness), also known as Master Tour Rider. As our members gain experience and miles, we inspire them to advance to the next level.

We are a family association; we are dedicated to providing a fun and friendly atmosphere to members and visitors of all ages. We strive to make every event fun.

Chapter L is dedicated to educating our members and visitors about motorcycling. We do this by having training provided by certified trainers that have graduated from Gold Wing University. We educate members about riding alone, with a co-rider, and in a group. We educate on riding as a team, pulling trailers, crash scene response, leadership, fun events, advances in motorcycling, and much more. Our trainers are evaluated by senior trainers to ensure they remain up-to-date regarding motorcycling.

Not all motorcyclists are the same; we strive to present a positive image to the public. We inform the public about what our association stands for; Friends, Fun, Safety, & Knowledge. We are a part of the community and want the community to be a part of us.

Have fun and enjoy riding with Chapter L. We want all of our riders to relax and enjoy the ride while being among friends that share your passion... riding.

It takes everyone to make the Chapter successful. But what is the definition of **successful**? Successful means the Chapter is fun. Successful means the Chapter rides a multitude of routes with varying distances. Successful means people want the Chapter to thrive. Successful means people ask "what can I do to help..." Successful means our membership thrives. In other words, we cannot be successful without you. Participation from all members results in the Chapter being successful.

Have you achieved your goals you've set? Regardless whether your goals involve motorcycling or are professional, chances are, there is someone in the Chapter that wants to assist you in achieving your goals. Our goal is to assist you in achieving your goal.

Our Motto: RIDE and GROW with VA-L
