Hello church family,

What a wonderful, active, busy week it has been at church! Here's some stuff to celebrate:

- Our neighbors are actually enjoying our drive-in worship services! We were concerned that they would be annoyed by it, but instead we have had several people slow down and wave, and 3 who live within walking distance who have stopped by and asked about the church.
- Yesterday we agreed to partner with New Frontier to distribute food boxes full of fresh vegetables, milk, cheese, and meat to families in need. The grant that provides it lasts through June, and we will receive boxes once per week to give out. In the meantime, we are partnering with the Fallon Food Hub for a similar grant that begins in July!
- We have amazing new leadership in place, and new volunteers who have stepped up to run our Epworth Community Food Pantry.
- Hospitals have opened up to visitors, but just one per patient, and I think it has to be a family member. Still though! Progress.
- I have loved to hear about the ways you are spending time with friends, checking in on neighbors and church members who live alone. Thank you for being the church!
- I just received word that the July 4 parade is ON! I would LOVE to really get creative with our float this year, and make something fun. There is a volunteer list on the back page of this newsletter for this and a bunch more, call and let us know what you'd like to do!
- I love to see that so many of you are growing things, and making things, and sharing things, and getting outside more than you used to. Except for a couple of very strange days, the weather has been SO nice, and moving and getting out into God's beautiful world is so good for us. I am so blessed when you share pictures of your kids and grandkids, your thoughts about life and faith, your favorite Bible passages and inspirational things you've run across.

Friends, God is SO GOOD. As we move carefully and safely forward as a church family and as a community, we are keeping ourselves focused on Jesus and what he called the greatest commandments: to love the Lord our God with all our heart, soul, mind, and strength; and to love our neighbors as ourselves.

In Jesus precious name,

*Pastor Dawn*

# Worship by the Dashboard Lights, at the Kitchen Table, on the Front Porch, Anywhere and Everywhere!

Can't wait to see you in worship this week! We will pray and sing and worship in our cars beginning at 9am, and thereby bless each other and our whole neighborhood. We will worship electronically, just as we have been doing...we have called Spectrum to come in and see if they can banish the tech gremlins that have been disrupting that part, and hopefully they will be able to come this week. Join us however you can, in person or electronically...**we are a church family, and we need each other!**

This week, we continue our summer worship series using movies as modern day parables. Our movie this week is sweet and heart-warming, AND based on a true story! Pastor Dawn was able to interview a man who was on the American All-Star Team, and is still in touch with some of the boys who played in this game. We will post some video of that conversation, and an awesome team photo from the 1956 All Star Team, on our YouTube and Facebook pages, and we will send it by email too. There is a lot we could talk about as it relates to our faith using events and themes from the movie, and since the sermon hasn't been written yet God only knows where we will end up together! As you prepare your heart for worship, take a look at Psalm 108 (it's quoted in the movie, because there are 108 stitches in a baseball) and Romans 15:1-7 and verse 13. It will be a great day! Praying that God is blessing you abundantly.

Oh, and! Our songs for worship this week are My Hope is Built (a great traditional favorite), and My Feet are On the Rock (a newer song by a Christian music group called "I Am They.")

## News and Fun Stuff!

### An Update from Your Finance Team

Your church is so, so blessed by your generosity! You have kept up your giving, and many of you have even given extra to help support your church and the folks in need that we serve. Fallon Daily Bread and our HeLP ministries are so blessed by your extra giving, and surprise donations from folks in our community. Our church budget is on target, all of our bills are paid, and we have been able to pay more toward our Conference Tithe. And several of you have given extra toward our roof fund, bringing our total up to about \$70,000. We are almost there! Praise God!

As we sat in the Wolf Center just now, giving away those wonderful boxes of fresh vegetables, meat, and dairy products, we got to talking about what a blessing giving has been in our lives. We talked about how hard it is, and how scary it is to stretch to a 10% tithe...but all of us agreed, when we each made that leap that somehow our home finances actually got BETTER. We told stories about how, on paper, we should never have been able to afford it...and yet, somehow, we did. And how good it felt,

**Then Jesus said to the person who had invited him, “When you host a lunch or dinner, don’t invite your friends, your brothers and sisters, your relatives, or rich neighbors. If you do, they will invite you in return and that will be your reward. Instead, when you give a banquet, invite the poor, crippled, lame, and blind. And you will be blessed because they can’t repay you. Instead, you will be repaid when the just are resurrected.”**

*Luke 14:12-14*

and continues to feel. Some of you have told us stories like that, too, when you felt God nudging you to give toward a specific thing or give more regularly than you thought you could, how blessed you were by it. One of those miracles of God. ♥

## **The United Methodist Youth Service Fund**

Youth Service Fund (YSF) is the national United Methodist mission fund supported by youth. Through YSF, United Methodist teens raise money for other teens doing ministry in their churches and communities impacting poverty, illiteracy, absenteeism and social justice.

The Youth Service Fund is a unique ministry because it is run completely by, with and for youth. Youth contribute the money, they decide what projects receive the money, and the projects supported are youth-designed, youth-led, and youth benefited. Youth from everywhere may apply for funding. Applications are due by June 1 for funding to begin the following calendar year for successful projects. Project categories are: Faith Sharing and Outreach, Leadership Development, Scholarship, Ministry with At-Risk Youth, and Agricultural/Vocational.

Youth groups and annual conferences have many creative fundraisers throughout the year and the annual conferences award the YSF funds in their local conference. YSF provides a way for youth to be in REAL ministry with each other. ♥

## **Send in Your Prayers and God-Sightings!**

Is there someone in your life who needs prayer for body, mind, or spirit? Is there something on your mind and heart you’d like to share in prayer? Please do! You are welcome to call Kathy Reynolds at 423-0689 or email her at [kmreynolds3@gmail.com](mailto:kmreynolds3@gmail.com).
