

Neurodiversity Awareness at Your Office

The Independence Hub has a simple message about neurodiversity and its special place in the insurance industry.

1. Insurance depends on neurodivergent talent.
2. More adults find out every day they are neurodivergent, usually through their children.
3. MINOR accommodations to diet, workstation, and personal expectations can YIELD tremendous results.

Customizable Programs Include

- Lobby Exhibit and 80/20 Filming
- Formal Training
- Use Case Workshop
- Leadership One on One
