

CONNECT VIA PRAYER!

Unity is our vision. Prayer is our position. We are pushing to create an environment where prayer is available at your fingertips. No matter the time of day, we will not let times get in the way. Uniting with your family in Christ is just a phone call away. Remember the church is not a building it's a body of believers in Christ Jesus. The bible teaches us that the weapons of our Warfare are not carnal. When we pray, God moves mountains. When we pray, strong holds get lifted. When we pray, we tear down principalities sitting in high places. Don't let your circumstances, situations and daily life obligations stop you from connecting. Maybe you have a prayer request. Maybe you just want to listen in to touch and agree with your brothers and sisters in Christ. Maybe you want to listen in. No matter who you are or where you are you are welcome in.

This is judgement free zone, confidentiality is key. As the body of Christ, we need to **stay CONNECTED**

Remember prayer is our position and We Are In This Together. WAIT!

These all continued with one accord in Prayer...Acts 1:14
