Dear Camp Crook Roping Club Sponsor,

Welcome to Camp Crook, South Dakota and the 57th rodeos that has been held in this historic arena. There have been over 21 national champions who started their careers in the biggest little rodeo in South Dakota!!! It continues to be a great starting place for our younger generation with the Junior Rodeo being held on June 18, 2023 and draw top amateur cowboys and cowgirls to the amateur rodeo on August 20, 2023 and the top bronc riders to the matched bronc ride held August 18, 2023.

The Camp Crook Roping Club would like to invite you and/or to **Thank You** for being part of the sponsorship base for our rodeos. As we continue to provide events for the tri state area of Montana, North Dakota, and South Dakota, it is important to build a sponsorship base that will allow continuity. Your business, family or industry can be part of this historic event and continue to build the future of cowboys and cowgirls from the area.

We want to build our events together with you. We look forward to hearing from you!
