FOCUS ON U.S. IMMIGRATION LAW

OUR COMMITMENT

Huikuri Law provides simplified turnkey solutions to manage U.S. immigration needs as your immigration partner. We are committed to compliance, focused on streamlining processes through technology, and equipped to scale our services to meet the needs of your business or individual circumstances.

WHAT WE DO

Huikuri Law's practice focuses on non-immigrant and immigrant visa solutions for multinational companies and individuals, and it is committed to providing clients with the highest level of legal representation. Huikuri Law is known for the ability to explain complex legal concepts in a way that clients can understand.

Huikuri Law delivers distinctive and comprehensive U.S. immigration service that can help companies and individuals. We will seamlessly help you navigate the complexities of U.S. immigration law. We will provide you with the full range of individual and business immigration legal services, including:

Preparation and submission of applications for temporary work visas, immigrant permissions and waivers, including:

- Investor visas for startup founders (E-2 and L-1A New Office) and companies with an already established presence in the U.S.
- Nonimmigrant visas under the E, H, L, O, TN, and other relevant categories.
- Applications for U.S. permanent residence (green card), including filing PERM labor certification applications and immigrant petitions.
- National interest waivers of the foreign labor certification requirement for certain categories of immigrant petitions.
- U.S. lawful permanent resident status (green card), including how to maintain status during foreign assignments outside the U.S. and for naturalization purposes.
- Assistance with visa issuance (assistance with relevant consular forms such as DS-160 or DS-260) and entry and departure procedures.
- Applications to obtain U.S. citizenship.
- Assistance with dependent/family member matters including visa processing, ability to work, student-related requirements and maintenance of status.

- Analysis of existing work authorization policies and procedures to support compliance with U.S. immigration requirements including I-9 verifications and audits.
- Seminars/Webinars on U.S. immigration regulations and policy updates.

BENEFITS OF USING HUIKURI LAW

With Huikuri Law as your immigration partner, you will be equipped with:

- Adherence to all U.S. immigration requirements, based on our compliance focus, knowledge, and experience.
- A customized and flexible service delivery model with efficient case management processes.
- Technology for case management, document upload, communication, and tailored reporting and analytics.

Here's how we do it:

- **We are exclusively dedicated to U.S. immigration law:** We understand U.S. laws, requirements, policies, and processing nuances with years of experience.
- **We make compliance our top priority:** We take a holistic approach to compliance, incorporating it as part of overall immigration program management.
- **We provide personalized high-touch support:** While technology platforms can help streamline case processing, nothing can replace hand-held support. You will have regular access to and discussions with your dedicated Huikuri Law attorney.
- **We understand what obstacles companies and individuals face with the U.S. immigration:** Huikuri Law has a deep understanding of the challenges that immigrants face when navigating the legal system. We operate with empathy for our clients, which is a powerful tool in helping you achieve your immigration goals.

FOUNDING PARTNER – HANNU HUIKURI

Hannu is a Business Immigration Attorney licensed in California.

As an experienced Business Immigration Attorney, he specializes in providing strategic counsel and support for multinational companies and individuals. With a background in both leading consulting and law firm settings, Hannu has a unique perspective on the challenges that organizations and individuals face in navigating the complex U.S. immigration law landscape.

In his most recent role as an Associate Attorney at a national leading U.S. immigration law firm, he worked closely with clients to prepare petitions and applications for submission to the U.S. Immigration Service and the Department of Labor and also managed a team of 7-10 legal professionals providing guidance and oversight to ensure timely and accurate case processing.

Prior to that, Hannu spent two years as a Manager at a global consulting firm, where he led a team of several immigration professionals and provided support on U.S. immigration compliance. He also worked closely with client teams to develop immigration compliance solutions and managed inbound client accounts. Overall, his passion is in supporting organizations and individuals in navigating the complex world of mobility, while ensuring compliance with U.S. immigration laws and regulations.
