

JADE ELSWICK

Licensed Esthetician

Jade's passion for skincare and beauty shines through in her work at Monarch. With her roots in Goshen, IN, and a solid education from Vogue Beauty School, Jade has honed her skills as a Licensed Esthetician over the past five years.

When she's not pampering clients, Jade loves

spending quality time with her sister, exploring the latest fashion trends while shopping, and enjoying fun outings with friends. Her adventurous spirit also leads her to the lake for relaxing days, Notre Dame tailgates for some football excitement, and the golf course for a round or two. With previous experience at Woodhouse Day Spa, Jade brings a wealth of expertise to the Monarch team. Her certifications in Aerolase® Neo Elite®, Lutronic with the LaseMD Ultra™, Genius® RF Microneedling, and DIAMOND GLOW® showcase her dedication to staying at the forefront of esthetic advancements.

Her dedication to her patients doesn't go unnoticed, as many of them express their gratitude for her compassionate care. Jade's warm and friendly demeanor puts her patients at ease, making them feel comfortable and well-cared for during their time under her supervision. She goes above and beyond to create a nurturing environment where patients feel supported and valued on their journey to recovery. Jade's commitment to excellence and genuine concern for her patients truly sets her apart as a Licensed Esthetician who makes a positive difference in the lives of those she serves.
