

COURTNEY LAWSON

FNP-C

NP Injector

Courtney's diverse background and experiences have shaped her into the dedicated Nurse Practitioner she is today. Her journey from Arizona to Indiana is a testament to her adventurous spirit and passion for learning. After completing graduate school at The University of Saint Francis her interest in neuromuscular

injections opened the door to a fulfilling role at Monarch where she found a supportive community with Dr. Lori Zimmerman.

Beyond her professional achievements, Courtney finds joy in her local Zumba and yoga classes, cheering for her son Cal during his soccer games and going to car shows with her husband, Chad who also shares a love of fast cars.

Courtney cherishes memories of traveling with friends and enjoying West Coast Swing dancing during her free time.

With a solid background in pediatric and adult ICU nursing, as well as emergency medicine, Courtney has honed her skills over the years. Her specialization in hormone replacement therapy and regenerative medicine showcases her commitment to holistic healthcare. As the proud owner of Mojo Med, an integrative practice in Warsaw, she specialized in hormone replacement, joint regeneration, and ozone therapies to improve immunity, reduce inflammation and prevent chronic disease.

Courtney's dedication to her craft and her community shines through in everything she does. Her journey is a testament to the power of passion, hard work, and a willingness to embrace new opportunities.
