

# AIMEE TRAMMELL

*RN Injector*

Aimee is a remarkable individual with a passion for nursing and caring for others. Her journey from Goshen, Indiana to Milford alongside her husband Rod has been filled with dedication and hard work. Aimee's educational background in nursing from Glen Oaks

Community College and Goshen College showcases her commitment to her profession. Her Level I toxin and filler certification from the American Academy of Facial Esthetics highlights her devotion to advancing in the field. Family is at the heart of Aimee's life, with her two kids Drake and Ari, and her bonus kids Trent and Cassidy. Not to forget her adorable grandbabies Titan and Jett, who bring immense joy into her life.

Aimee's role as a labor and delivery nurse at Goshen Hospital and Blessed Beginnings Care Center highlights her devotion to helping bring new life into the world.

Beyond her nursing career, Aimee's advocacy for rare diseases and her entrepreneurial spirit as a former owner of a specialty cupcake business demonstrate her diverse interests. Her dedication to self-care and personal fitness reflects her belief in holistic well-being.

Aimee takes delight in empowering women to feel confident and beautiful in their own skin. Aimee believes that beauty comes from within and that when women feel good about themselves, they can conquer the world with grace and strength. Through her dedication and passion for uplifting others, Aimee continues to inspire women to embrace their uniqueness and shine bright in this world.
