WELCOME BACK TO SCHOOL!

Happy August, Anna Maria Elementary families!

The AME PTO is excited to kick off another wonderful school year! Our goal is to support the students, teachers, and staff of Anna Maria Elementary through fundraising, educational enrichments, special events, and community-building throughout the year. From Fall Fest to teacher appreciation week, we work to enhance the school experience for everyone. We welcome new volunteers, fresh ideas, and community involvement.

Together, we can make this school year the best yet!
